

The background of the slide is an abstract composition of flowing, golden-yellow liquid. The liquid appears to be moving from the right side towards the left, creating dynamic, curved shapes and splashes. The lighting is bright, highlighting the metallic sheen of the liquid. The overall effect is one of energy and movement.

His anointing Includes more than 50 interactive exercises      **How To Operate In the Power of Jesus** Apostle Joshua Selman, 2020-11-26 Do you know in an average church service there are so many things that happen to people and we are not aware of your assignment as a ministry is to make the environment conducive for the healing presence of Jesus and for deliverance to happen you have no power to change any man When the atmosphere is charged and set any utterance that comes from that glory will produce result it becomes easy for deliverance to happen We need to be careful as though we are spiritual people not to allow tradition too much that we box the power of the Holy Spirit When we come before him we are aware of our inadequacies so he becomes the Lord of the service There is a system of coordination but he must be allowed to reign supreme This is why many people never experience God in our services today it is because we don't allow him and we come as men of God to interrupt him The reason why we come before him is because we love him also because we want to grow and because you want his power to touch an area of your life It is time wasted when you come to spend hours to worship God and you cannot go back with an evidence of his presence It is not only sin but it is also wickedness when you come to a programme like this having left your homes and churches and just listen to a man speak before you for some hours and share the grace without having any impact in your life Our job is to make you experience God in his entirety this programme was so designed that every stage tackles your life in such a way that before we share the grace what escaped praise worship cannot escape the fire of prayer and what escaped the fire of prayer cannot escape revelation This is serious business of changing people's lives whatever good that you may be doing we are okay with it but the moment it comes to the destiny of people we need to be more serious We must take it seriously because we are stewards by grace and we must be accountable unto God As I was about to pray where I was seated I felt that there are people who need the touch of God which can bring deliverance healing and direction There are many reasons why the Holy Spirit touches someone it might be because that's an answer to your prayer The anointing comes as an answer to your prayer it is not faith that answers prayer but it just connects you to the anointing that does Your faith is just your conviction and does not bring answer on its own The job if faith is to connect you to the power of God but the power of God brings about the possibility You shouldn't be here and you will be having sickness and pains and we will be here preaching and nothing is working in your life I will like to pray for you there are families here that are represented here that desire the touch of God I know God will bless us and lift us up The Lord is impacting the spirit of wisdom there is an unction that will come on people here and there will be supernatural grace for wisdom Read This Book and Be Blessed      **The Power of the Spirit** William Law, In all my reading I have never found anyone who has so helped me in understanding the Scripture truth of the work of the Holy Spirit Andrew Murray Yearning for something beyond a mediocre and self-centered Christianity Frustrated by the sterile intellectualism preached from many pulpits Longing for the power of the Holy Spirit you have read about in books and believe is able to draw a wayward generation to Christ Many of us are on our faces before God crying out for an awakening in our country and in our world Law

passionately shows us the path to this end from a solid Scriptural foundation The Holy Spirit's power is at our fingertips It is within our reach True awakening must start in our own hearts It must start with us Besides the Bible it is difficult to think of a more needed and relevant book for the Church today     **One with the Spirit** Nathan Figueroa,2024-12-17 Satisfying your daily spiritual needs One with the Spirit A Twenty Five Day Devotional to Operating in the Holy Spirit powerfully demonstrates how to exactly walk in the power and function of the Holy Spirit and instructs how to operate as an agent of change for Jesus Christ     **Overflowing with the Holy Spirit** Pat Harrison,2019-10 Now more than ever the body of Christ must mature in the ways of the Spirit to fulfill God's plan for His kingdom as the clock ticks steadily toward the return of Jesus Christ The only way we will fulfill the Great Commission Jesus left us is to have both the indwelling presence of the Holy Spirit and His power fully operating in our lives The problem is most believers don't know the difference between the two or how to walk in the fullness of all God has called us to do In some ways we've had things backwards and short circuited God's best In **Overflowing with the Holy Spirit** author Pat Harrison teaches about the dual role of the Holy Spirit in your life to establish you first in the indwelling and then in the outpouring The working of the Holy Spirit within matures you in holiness and oneness with Jesus Then the outpouring comes upon you with power ability efficiency and might to bless others Understanding the two intertwined facets will help you walk in the fullness of both until you're overflowing with the Spirit in everyday life Pat shares Learning the ways of the Spirit From Soulful to Selfless How to walk in holiness How to walk in power and might Recognize the day     **Hand Book For The Work of The Holy Spirit** Alan Scott,2017-02-16 Hand Book for the Work of the Holy Spirit is a guide to understanding the full and true power of the Holy Spirit Discover subjects like Gifts of the Holy Spirit Understanding the purpose of speaking in tongues Pentecost and the power of the Spirit for the church age and much more This book is vital for learning how to operate in the gifts of the spirit and how to use those gifts in ministry as well as personal prayer life A great apologetic work on the Holy Spirit     **A Discussion of the Cause, Character and Operations of the Creator** Harry B.
