**Cracks You Open** Renee Pedigo,2025-02 Cracks You

Open is a raw unflinching journey through the wild beautiful and devastating landscape of first love In this powerful collection of poetry and musings Renee invites you to experience the highs and lows of falling in love staying too long losing yourself letting go and ultimately learning to love again With visceral vulnerability Cracks You Open explores themes of grief generational trauma the struggle for self worth and the transformative path toward healing These poems are a tribute to the resilience we discover when love forces us to confront our deepest wounds This collection is a testament to growth a celebration of scars that evolve into wisdom and a reminder that love whether fleeting or enduring has the power to crack you open revealing more of your true being Perfect for anyone navigating the complexities of love loss and self discovery

Cracks You Open will resonate long after the final page

**Say It With Me** Vanessa Lampert,2022-04-24 Rooted in everyday

communities the voice of Say It With Me is wry candid and knowing offering poems that playfully record the foibles of domestic life There are curious stories a parrot flies away but always returns to its master a school bully becomes their victim s acupuncture patient in adulthood and a donor finds new kinship with the woman who receives his cells All these stories are gems full of curious twists and turns Often the poems represent specific places and people sometimes nostalgically so like memories of family beach trips with loved ones now deceased Others are flights of fancy imagining a park of one s dreams an ode to the small pleasures of life or inventing a new history where a father didn t die young Most significant however are the poignant and remarkable stories of family life There are happy portraits as well as thoughtful poems concerning divorce and parenthood also the body in triumph and decline Though speakers take up a watchful distance from events they are also fierce and unafraid to intervene A middle aged woman on the beach wades into the sea to chastise some lads playing with an inflatable sex doll Say it with me a line taken from the poem Canada is a phrase that often precedes a rallying cry or a brave but controversial factual statement The tales in this collection feel true and honest and its title is a call to unite This is a collection about the communities in which we live and the interconnectedness of human beings The likeable speaker of these poems surveys it all with the dry humour and wisdom of an older woman posing scenarios that we can all recognize as authentic Ultimately Vanessa Lampert uses deep and rich storytelling to lay bare truths that are at once funny moving and illuminating The poems in Vanessa Lampert s new collection are lodestars How lucky to be guided by them In this book nature is more than an encounter to wonder about it is a binding both to our home here on earth the dailyness joy and loss of that and to our own corporeal selves For anyone looking for the words to what it means to be human look no further they are here Matthew Dickman Vanessa Lampert has a rare talent for telling stories which although they come from a place deeply

personal to her become universal in their rendering These are poems which welcome us in like old friends full of warmth and generosity and which have the sudden ability to switch gears and with them our emotions in just a few short lines or phrases Say It With Me is a remarkable first collection of poems a book infused with darkness and light beauty and sadness humour and ultimately hopefulness Brian Bilston In Say It with Me Lampert's observant and witty voice accompanies us through subtle turns in thought redirecting our attention with a glance a clearing of the throat so that we step from the scenery of life into the resonant emotional landscape of living Her poems open the aperture and expose us to the loss that time is always enacting upon us its cruelty and its beauty Jack Underwood Vanessa Lampert is a chronicler of minute but crucially significant moments she holds them to the light to find their gleam and then shows them to us as stunning jewels We enter one of her poems on the familiar ground of a summer beach or an ordinary municipal park and leave years later often having communed with those we've lost What she accomplishes may seem simple but the seismic shifts of our lives are packed into her humming lines Her poems are like a fairground on the final night of the season we want to clasp onto their joy and celebration that bit longer Tamar Yoseloff Open Closed Open Yehuda Amichai,2006-11-06 In poems marked by

tenderness and mischief humanity and humor Yehuda Amichai breaks open the grand diction of revered Jewish verses and casts the light of his own experience upon them Here he tells of history a nation the self love and resurrection Amichai's last volume is one of meditation and hope and stands as a testament to one of Israel's greatest poets Open closed open Before we are born everything is open in the universe without us For as long as we live everything is closed within us And when we die everything is open again Open closed open That's all we are from I WASN'T ONE OF THE SIX MILLION AND WHAT IS MY LIFE SPAN OPEN CLOSED OPEN *Register and Catalogue* Cornell University,1921 *The Open Door* Don

Share,Christian Wiman,2012-09-25 If readers would like to sample the genius and diversity of American poetry in the last century there's no better place to start World Literature Today When Harriet Monroe founded Poetry magazine in Chicago in 1912 she began with an image the Open Door For a century the most important and enduring poets have walked through that door William Carlos Williams and Wallace Stevens in its first years Rae Armantrout and Kay Ryan in 2011 And at the same time Poetry continues to discover the new voices who will be read a century from now To celebrate the magazine's centennial the editors combed through Poetry's incomparable archives to create a new kind of anthology With the self imposed limitation to one hundred they have assembled a collection of poems that in their juxtaposition echo across a century of poetry Here Adrienne Rich appears alongside Charles Bukowski famous poems of the two world wars flank a devastating yet lesser known poem of the Vietnam War Short extracts from Poetry's letters and criticism punctuate the verse selections hinting at themes and threads and serving as guides interlocutors or dissenting voices The resulting volume is a celebration of idiosyncrasy and invention a vital monument to an institution that refuses to be static and most of all a book that lovers of poetry will devour debate and keep close at hand **Writers' & Artists' Yearbook 2026** Bloomsbury
