## Opening Addresses:

Closing the Justice Gap for Adult and Child Sexual Assault Anne Cossins, 2020-10-21 This book examines the justice gap and trial process for sexual assault against both adults and children in two jurisdictions England and Wales and New South Wales Australia Drawing on decades of research it investigates the reality of the policing and prosecution of sexual assault offences often seen as one of the hardest crimes to prosecute across two similar jurisdictions Despite the introduction of the many reform options detailed in the book satisfactory outcomes for victims and the public are still difficult to obtain Cossins takes a new approach by examining the nature and effects of adversarialism on vulnerable witnesses jury decision making and the structures of power within the trial process to show how and at what points that process is weighted against complainants of sexual assault in order to make evidence based suggestions for reform She argues that this justice gap is a result of a moralistic adversarial culture which fosters myths and misconceptions about rape and child sexual assault thus requiring the prosecution to prove a complainant's moral worthiness She argues this culture can only be eliminated by a radical replacement of the adversarial system with a trauma informed system By reviewing the relevant psychological literature this book documents the triggers for re-traumatisation within an adversarial trial and discusses the reform measures that would be necessary to transform the sexual assault trial from one where the complainant's moral worthiness is on trial to a fully functioning trauma informed system It speaks to students and academics across subjects including law criminology gender studies and psychology and practitioners in law and victim services as well as policy makers **Journal of the Legislative Council of the Colony of New-York** New York (Colony). Council, 1861 **American Addresses at the Second Hague Peace Conference** Joseph Hodges Choate, 1910 **Discourse Interpretation** Olga Dontcheva-Navratilova, Renata Povolná, 2012-01-17 *Discourse Interpretation Approaches and Applications* provides new insights into the complex area of discourse interpretation in a wide range of discourse types and genres The authors adopt a variety of approaches to the representation and interpretation of meaning in discourse to share the understanding that discourse interpretation is a dynamic construct constantly open to reinterpretation in the light of the intentions and purposes of in particular social historical and situational contexts The chapters of the book comprise essays by linguists working in the fields of critical discourse analysis pragmatics stylistics and sociolinguistics which address methodological issues in discourse interpretation Part I and explore various aspects of representation and interpretation of meaning in different genres of spoken and written discourse namely conversational academic media political and fictional discourse Part II This volume which combines theoretical insights with empirical investigations contributes to a better understanding of the interpretative process and will be of interest to a wide range of researchers scholars and students of English Transformative Speeches of Governor Nyesom Ezenwo Wike Ayebaesin Beredugo, 2025-11-03 But thank goodness Rivers State has just been relieved of the most decadent administration in history which frittered public resources sold the State's valuable assets to cronies

increased the debt burden and crippled the State's economy Governor Nyesom Ezenwo Wike As Justice Learned Hand rightly observed If we are to keep democracy there must be a commandment thou shall not ration justice Today the people of Rivers State are beneficiaries of justice in its proper measure We salute the courage and determination of the Supreme Court of Nigeria to uphold the Constitution of the Federal Republic of Nigeria and the rule of law in our democracy Governor Nyesom Ezenwo Wike We are celebrating political or flag independence But the need to deliver economic freedom to our country remains the most significant challenge before all of us Therefore on this historic day we should pledge to rededicate our lives to build a united inclusive and prosperous nation where justice peace and the rule of law shall reign supreme We are resilient and highly creative We can easily overcome our economic predicaments if we all work together with patriotism towards building trust and finding realistic solutions to the challenges buffeting the nation Governor Nyesom Ezenwo Wike As Rivers people we are proud of our contributions to the unity and progress of the Nigerian nation We remain committed to preserving the unity and indivisibility of Nigeria All that we ask in return is justice mutual respect and adequate recompenses for our contributions and sacrifice to the economic and social progress of the country Governor Nyesom Ezenwo Wike Isaac Newton once said If I have seen further than others it is by standing upon the shoulders of giants It is therefore essential to acknowledge that whatever heights I have attained and my contributions to my State our nation and humanity it is because people inspired me believed in me gave me opportunities and supported me along this journey in diverse ways Governor Nyesom Ezenwo Wike We cannot continue to live in sin or tolerate the devil's evil ways and expect God's grace to flourish and prosper our lands Therefore we pray that the Church reflect on the social malaise affecting our country re direct its efforts towards transforming our people's lives minds and attitudes unto righteousness and restore our society's moral and religious foundations for good Governor Nyesom Ezenwo Wike
