Operation Blitz:

Battleground Chhamb A.J.S. Sandhu, 2025-10-27 The Battle of Chhamb is considered to be the fiercest bloodiest most intense and decisive battle of the 1971 Indo Pakistan War Prime Minister Indira Gandhi termed it as the toughest Pakistan had amassed a very large and formidable force under 23 Infantry Division for their offensive it comprised five infantry brigades one armoured brigade and 31 artillery batteries In fact the artillery employed by Pakistan in the Chhamb sector was more than they had to defend themselves in East Pakistan now Bangladesh Having tasted success in this sector in the 1965 Indo Pakistan War this time with a much larger force Pakistan hoped to capture the strategically important town of Akhnur On the other hand the Indian 10 Infantry Division's task was changed as many as four times in the run up to the war from a purely Covering Troops action between the Cease Fire Line CFL and the permanent defences well to the rear to an offensive task then into a Forward Poise and finally to adopt a defensive posture on 1 December 1971 This final change of plan literally at the eleventh hour had a profound bearing on the conduct of the battle Notwithstanding this 10 Infantry Division fought magnificently and managed to hold the Pakistanis on the line of the Manawar Tawi River Just as it was preparing to launch major counter attacks the sudden declaration of the unilateral ceasefire by India robbed the division of an opportunity to recapture lost territory Nor was it taken back during the Shimla negotiations when India held 92 000 Pakistani PoWs in captivity and had the bargaining upper hand The Battle holds many lessons for India even today and should be required reading not only for members of the defence forces but for anybody who is interested in South Asian history Pakistan

Topich, 2018-06-15 This single volume work documents Pakistan's troubled history which has led to current global insecurities and created a breeding ground for radical insurgency and terrorism Why is the volatile political status of Pakistan so critical to world security How did the tribal region of northwest Pakistan become home to numerous insurgent factions including the Pakistani Taliban and Al Qaeda Is the government of Pakistan actively combating or facilitating terrorism and the growth of extremism Pakistan The Taliban Al Qaeda and the Rise of Terrorism addresses and answers these questions and more providing a current and comprehensive examination of the terrorist and insurgent groups that use Pakistan as their global base of operation Readers of this book will better understand how the activities of terrorist groups such as the Pakistan Taliban Lashkar e Taiba and Al Qaeda in Pakistan threaten the future of the state and why the situation in Pakistan is considered by many to be more vital to American interests than Afghanistan Author William J Topich evaluates the changing nature of U S policy in the region including analysis of policy regarding drone strikes that target various radical groups of state stabilization options and of ongoing United States Pakistan relations His assessment of Pakistan's key role in global security accounts for the country's longstanding conflict with India the Afghanistan wars and the impact of the attacks of September 11 2001 and identifies possible future scenarios for Pakistan and the accompanying implications for security

Chequered Past, Uncertain Future Tahir Kamran,2024-08-19 Spanning thousands of years a wide ranging history of Pakistan from the Bronze Age to partition and beyond This book takes us on a sweeping journey through the ebbs and flows of Pakistan s history from the ancient Indus Valley Civilization to contemporary times Chequered Past Uncertain Future uncovers influences from Turkey Persia Arabia and Britain that have shaped Pakistan as well as showcases the region s diverse and rich tapestry of peoples and its pluralistic multicultural society The book also describes the post 1947 shift following the partition of India and the establishment of the Islamic Republic of Pakistan as the country became more religiously conservative and autocratic intensifying sectarian and ethnic divisions For most of their history the people of Pakistan have found themselves under the control of military dictators who suppress civil liberties and freedom of speech and action a trend that persists today Extremely Violent Societies Christian Gerlach,2010-10-14 In this groundbreaking book Christian Gerlach traces the social roots of the extraordinary processes of human destruction involved in mass violence throughout the twentieth century He argues that terms such as genocide and ethnic cleansing are too narrow to explain the diverse motives and interests that cause violence to spread in varying forms and intensities From killings and expulsions to enforced hunger collective rape strategic bombing forced labour and imprisonment he explores what happened before during and after periods of widespread bloodshed in countries such as Armenia Indonesia Bangladesh Nazi occupied Greece and in anti guerilla wars worldwide in order to highlight the crucial role of socio economic pressures in the generation of group conflicts By focussing on why so many different people participated in or supported mass violence and why different groups were victimized he offers us a new way of understanding one of the most disturbing phenomena of our times Vision, Courage and Service Brigadier Satish K. Issar,2021-06-15 Born in a traditional Indian middle class family in 1921 Tapishwar Narain Tappy Raina rose to the pinnacle of the Indian Army in 1975 A decorated and battle hardened soldier Tappy Raina proved also to be a visionary Army Chief He pushed through ground breaking initiatives both for making the Indian Army

future ready and for the welfare of its officers and men Equally his quiet but firm stand against the Indian Army being drawn into the maelstrom of Indian politics during the period of Emergency was a truly signal service to India's democracy Tappy Raina was pitched into the 2nd World War at the very outset of his army career and saw action in the Middle East Burma and the Far East During this period he was wounded and lost his right eye but never let this early setback affect him professionally His finest hour as a soldier came during India's war with China in 1962 Amidst the ruins elsewhere along the borders Brigadier Raina won laurels as a battlefield commander in Ladakh where Indian Army blunted the Chinese PLA in the battle of Chushul For this exemplary military leadership Tappy Raina was conferred the country's second highest gallantry award the Maha Vir Chakra MVC Later for his contribution in the war against Pakistan in 1971 then Lt General Raina was conferred the award of Padma Bhushan Not even sixty yet General Raina passed away in 1980 with his boots on while serving in India's High Commissioner in Canada Interspersed in the book are notes by Tappy Raina's wife Ninette which etch out some personal facets of his life and reveal his innate decency modesty and compassion General T N Raina's was an inspiring life of outstanding service to the nation embodying vision professional excellence and courage *United States of America V.
