The Dancer from Atlantis Poul Anderson, 2014-12-30 A mesmerizing tale of adventure and romance An anomaly of time transports a twentieth century man backward through history toward the greatest catastrophe the world has ever known Looking out over the Pacific Ocean from the deck of a luxury cruise liner American architect Duncan Reid is suddenly caught up in an inexplicable event and when he awakens he is somewhere different Duncan has inadvertently fallen victim to a fatally malfunctioning time machine from the future along with three equally startled companions from vastly different epochs and civilizations and now he stands with them on the rocky Mediterranean coast of Egypt in the year 4000 BCE With the aid of miraculous technology supplied by the dying time machine the displaced four are able to communicate and share their

stories the most startling being the tale told by the one woman among them the bewitching Erissa Only decades removed from her actual time she claims to be a priestess from Atlantis who views Duncan as a god and she represents perhaps their only hope of returning to their rightful eras But to do so will entail immersing themselves in the savage turmoil of an ancient world and placing themselves in harm s way on the eve of the most terrible devastation in human history A true giant of twentieth century fantasy and science fiction multiple Hugo and Nebula Award winner Poul Anderson astounds once more with a powerful adventure through history and legend that set a towering standard for time travel fiction **After**

Doomsday Poul Anderson,2015-12-08 The only survivors of an annihilated human race must find one another somewhere in the cosmos and unite to destroy the alien aggressors who obliterated the Earth in this classic science fiction adventure After a three year mission the American starship Benjamin Franklin and its all male crew have returned to Earth only to discover the planet is dead a blackened shell devoid of life It is clear that one of a trio of alien species engineered the holocaust but which When the captain of the Franklin falters engineer Carl Donnan is forced to take command of the ship The future of what remains of the human race is in his hands Donnan s first priority is to escape with his crewmates the second is to find out if there are other human survivors somewhere among the stars unbeknownst to Donnan and the three hundred men now under his charge the female crew of the Europa also survived the genocide and the third is to seek vengeance for the alien annihilators will not rest until their task is completed If the last men and women in the galaxy do not identify and destroy their enemy there will be no place in the universe to hide The winner of three Nebulas seven Hugos and numerous other awards over the course of his illustrious career science fiction Grand Master Poul Anderson has written a magnificent adventure of courage and survival in the wake of the unthinkable demonstrating once again why he is considered one of the brightest literary lights to shine during the Golden Age of Asimov Heinlein and Bradbury **New America** Poul

Anderson,2014-12-30 Continuing from Orbit Unlimited New America is the next chapter in the story of the planet Rustum where the Constitutionals continue their mission to build a more perfect nation Civilization on Rustum has come a long way since its early days when a few brave colonists traveled twenty light years from Earth to found a society New America on the principle of personal liberty Some call themselves Constitutionals others Jeffersonians but whatever the title everyone can agree Rustum has a problem With one and a quarter times the gravitational force of Earth and a host of inedible flora Rustum is most habitable on its highlands leaving the lowlands sparsely populated and creating a great imbalance on the planet Dan Coffin an original settler of Rustum agrees to join an expedition back to the lowlands where he is one of the rare individuals who can survive in the dense air without a helmet New America follows Coffin s endeavors to build a new life with a wife children and an effective governing body that can help give the lowlanders not only survive but thrive **Starfarers** Poul Anderson,2015-11-24 Courageous space explorers embark on a mission to make contact with alien races light years away while the Earth they leave behind ages twelve hundred centuries It s the most exciting discovery since humankind first

began watching the skies SETI scientists detect starship trails in a galaxy many light years from Earth and at long last the dream of human to alien contact is attainable But the courageous crew of starfarers assembled to take on the monumental endeavor must sacrifice the only lives they've ever known and the people they love the Earth will have aged many thousands of years when and if they are finally able to return Still their hunger for knowledge of the universe and the extraterrestrial races that inhabit it is too great to deny and the Envoy rockets off into the vast unknown It's a perilous mission that will profoundly change everyone it touches even as the passing millennia transform the Earth in ways no one could ever have imagined Of all the science fiction extrapolators to emerge in the twentieth century none were more visionary and few as prolific as the great Poul Anderson Starfarers his ingeniously imagined space exploration adventure still stands tall among the most intelligent enthralling and unforgettable science fiction novels ever written This ebook includes the bonus stories Ghetto and The Horn of Time the Hunter

World Without Stars Poul Anderson, 2014-12-30 A far future tale of marooned space travelers a near immortal hero and a universe spanning love from a multiple Nebula Award winning author In a far future era death is virtually no more banished except in the case of severe violent trauma enabling mankind to spend what were once entire lifetimes exploring the farthest reaches of the vast universe When the interstellar vessel Meteor is dispatched to investigate a distant orb circling a giant red sun an error in calculations sends the ship crashing into a different world altogether casting its surviving crew into the heart of a savage planetwide war of primitive alien tribes With no means of escape and hostiles on every side the situation appears hopeless for Captain Felipe Argens But for the mission's true leader crewman adventurer and ship's bard Hugh Valland impossible is not an option If necessary he will alter destiny to end the terrible conflict and bring his men safely back home even if it takes decades or centuries or longer for a remarkable love patiently awaits Valland's return to Earth It is she who sustains him who inspires his actions his courage his song with a love that is a miracle a memory a tragedy and a dream One of the most thoughtful and lyrical works by the incomparable Poul Anderson winner of seven Hugo Awards and three Nebula Awards over the course of his acclaimed career World without Stars is a thrilling deep space adventure and a magnificent feat of world building by a luminary of science fiction's golden age
