the 23rd s smaller sister unit the 3133rd Sonic Deception company that saw action for fourteen days in Italy Highly recommended reading as being a simply fascinating military history of a hidden aspect of World War II that would have a profound and lasting influence on military strategy and tactics Midwest Book Review *Fire Support Bases Vietnam* Bruce Picken,2012-02-15 *Fire Support Bases Vietnam* is a meticulous documentation of the construction location and role of fire support bases during the Vietnam War compiled by Vietnam veteran Bruce Picken Often makeshift bases hacked out of primary jungle these artillery gun areas provided essential support to infantry field units during operations in South Vietnam In its simplest sense a fire support base was an often hastily constructed fortified artillery base position usually sited forward close to the centre of the area of operations in support of task force battalion or company operations The role of the fire support base was to bring artillery and mortar fire within range of friendly forces operating in depth Artillery gun areas were not unique to the Vietnam conflict In previous wars they were deployed in allied territory to cover the front lines and to support advancing troops The concept was first applied in Vietnam by US forces and quickly adapted by Australian forces arriving in Phuoc Tuy Province in May 1966 to fight a new kind of war This conflict was not like its predecessors and the fire support bases were now more usually sited in territory dominated by the enemy to provide much needed protection for forces operating in bitterly contested areas *Fire Support Bases Vietnam* is a detailed account that identifies every fire support base by date location and role and provides an outline of the operations in which they participated This is an essential reference book for those with a serious interest in the Vietnam War and adds valuable detail to the study of a campaign that occupies a unique place in the Australian psyche **Agent Garbo** Stephan Talty,2012 Describes the life of Juan Pujol a poultry farmer who opposed the Nazis and concocted a series of staggering lies that lead to his becoming one of Germany s most valued spies while actually acting as a double agent for the Allies **The Battle of Long Tan** Peter FitzSimons,2022-10-26 From the bestselling author of Kokoda and Gallipoli comes the epic story of Australia s deadliest Vietnam War battle 4 31 pm Enemy on left flank Could be serious 5 01 pm Enemy penetrating both flanks and to north and south 5 02 Running short of ammo Require drop through trees It was the afternoon of 18 August 1966 hot humid with grey monsoonal skies D Company 6RAR were four kilometres east of their Nui Dat base on patrol in a rubber plantation not far from the abandoned village of Long Tan A day after their base had suffered a mortar strike they were looking for Viet Cong soldiers Then just when they were least expecting they found them Under withering fire some Diggers perished some were grievously wounded the rest fought on as they remained under sustained attack For hours these men fought for their lives against the enemy onslaught The skies opened and the rain fell as ferocious mortar and automatic fire pinned them down Snipers shot at close quarters from the trees that surrounded them The Aussie Kiwi and Yankee artillery batteries knew it was up to them but outnumbered and running out of ammunition they fired loaded fired as Viet Cong and North Vietnamese Army forces just kept coming And coming Their only hope was if Armoured Personnel Carriers APCs could reach them before they were wiped out The APCs

did their best but low cloud and thunderstorms meant air support was stalled A daring helicopter resupply mission was suggested but who would want to fly that The odds against this small force were monumental By far the deadliest battle for Australian forces in Vietnam the Battle of Long Tan has a proud place in the annals of Australian military history and every ANZAC who fought there could hold his head high Peter FitzSimons Australia's greatest storyteller tells the real story of this classic battle He reveals the horror the bravery the wins and the losses that faced our soldiers He brings to life the personal stories of the men who fought the events leading up to that memorable battle and the long war that followed and the political decisions made in the halls of power that sealed their fates The Battle of Long Tan is an engrossing and powerful history that shows the costs of war never end The Whole Story John E.
