Operation Long Jump:

Operation Long Jump Bill Yenne, 2015-09-21 In the middle of World War II Nazi military intelligence discovered a seemingly easy way to win the war for Adolf Hitler The three heads of the Allied forces Franklin Roosevelt Winston Churchill and Josef Stalin were planning to meet in Tehran in October 1943 Under Hitler's personal direction the Nazis launched Operation Long Jump an intricate plan to track the Allied leaders in Tehran and assassinate all three men at the same time I suppose it would make a pretty good haul if they could get all three of us Roosevelt later said Historian Bill Yenne retells the incredible globe spanning story of the most ambitious assassination plot ever thwarted in Operation Long Jump

Midnight in Tehran Christopher Sandford, 2023-06-27 This is the gripping history of the Nazi sponsored attempt to infiltrate the 1943 wartime Allied conference in Tehran and assassinate the Big Three leaders Franklin Roosevelt Winston Churchill and Joseph Stalin It shows how close the plot came to success and how the removal of any one or more of the Allied chiefs might have significantly altered the future course of the Second World War Intended to be led by the SS lieutenant colonel Otto Skorzeny Operation Long Jump was ultimately detected by Soviet agents and it remains one of the most tantalizing what if questions of the 20th century

Kommando Leo Kessler,1995 In his racy and vivid style the author pays a fitting tribute to a very gallant band of men who as he clearly shows went on fighting for the Fuhrer and Fatherland long after they must have known that their cause was lost Hitler's Plot to Kill the Big Three Laslo Havas,1967 **The SS Hunter Battalions** Alexander Perry Biddiscombe,2006 Conventional wisdom suggests that the Allies and the Soviets were the only side in the Second World War to support resistance movements in occupied countries However based on recently released archival sources *The SS Hunter Battalions* shows that Hitler had his own version of the SOE and the OSS and that the Nazis too encouraged underground resistance against their enemies especially as Europe was liberated in 1944 45 The Nazis tried to exploit the misguided activism of ex collaborators ethnic nationalists and rabid anti communists but their efforts were clumsy and they were hamstrung by the sordid reputation that they had gained as wartime occupiers In addition the German commandos and spy masters in charge of the project hindered their own efforts through infighting ill discipline and a misconceived appreciation of their ability to motivate violent dissent Nonetheless the Germans supported as many as 700 000 anti Soviet partisans during the last year of the war and even in liberated France and Italy they bolstered small anti Allied cells and bands As Perry Biddiscombe demonstrates such efforts were not mere transitory occurrences but touched upon the origin of the Cold War and the roots of postwar Euro fascism **Soviet Studies** ,1969
