Operation Prom Date:

Operation Prom Date Cindi Madsen, 2017-03-13 Kate ships tons of fictional couples but IRL her OTP is her and Mick the hot quarterback she's crushed on since like forever. With only one semester left of senior year it's now or never if she wants to land him in time for prom. Since she's flirtationally challenged she enlists Cooper Callihan the guy who turned popular seemingly overnight but who used to be a good friend. Cooper lives and breathes rowing but his partner just broke his wrist. When he remembers Kate's good with a set of oars he strikes a deal to help him train and he'll make sure her crush notices her. Only he didn't know how addicting spending time with her would be. Or how the more successful the Operation is the more jealousy he experiences. The mission has been set. The troops have their marching orders. But what if the target is the wrong guy all along? Disclaimer: This Entangled Teen Crush book contains stargazing, accidental swimming, and poker swindling. This kissing practice will melt your ereader and give you a new couple to ship.

Operation Prom Date Laura Berke, 1987-06-12

I'm Not in the Band Amber Garza, 2017-06-12 I like Cassidy Milton. There I said it. She's funny, beautiful even though she doesn't know it and my favorite kind of weird. But I can't tell if she's into me or just trying to get close to me for a chance with my famous twin brother instead. I mean it has to be me. I am the better looking one. But Cassidy has some demons and she's not good at letting people in. That happens when you've been hurt by someone close to you. I can relate. Trust is a funny thing it's hard to gain but easy to lose. I might just learn that the hard way. Disclaimer: This Entangled Teen Crush book includes a snarky heroine, a swoon worthy hero, crazy best friends, your favorite music, and lots of feels.

99% Faking It Chris Cannon, 2019-03-04 Lisa is a card carrying book loving Gryffindor. Solid. And that's why everyone knows she's awesome. Well, except for her crush Matt. He only ever sees her as a friend. Plus he's got his eye on another girl. Oh well, plenty of fish and all that. Good thing Lisa just read a book on the wedding ring phenomenon: you get more attention when you're already taken. What if Lisa pretends to be Matt's plus one? Maybe it'll help Matt get his girl and Lisa can hook her own fish. After the plan works, Matt suddenly claims he doesn't like the view from the friend zone and wants her instead. But she isn't interested in being anyone's second choice. If this guy wants to earn her attention he'll need more than some silly phenomenon. He'll need to go all out. Disclaimer: This book contains multiple nerd girl references, cute puppies, and snarky humor that will make you LOL. Each book in the Dating Dilemmas series is STANDALONE. The Dating Debate 99% Faking It

Incriminating Dating Rebekah L. Purdy, 2017-04-10 Opinionated unconventional Ayla Hawkins isn't the type to use blackmail but sometimes a girl has to stand up for what's right. So when she catches Mr. Perfect Luke Pressler doing something decidedly unperfect, Ayla's got the dirt she needs to get Luke on her side in the form of her new fake boyfriend. One mistake All Luke wanted was a night to goof off to blow off steam. The next thing he knew he was pretending to date Ayla Hawkins. But his little blackmailer turns out to be kind. Honorable. And just the breath of fresh air he didn't even realize he was suffocating for. But Luke and Ayla come from different worlds and once the terms of their agreement end their
