## Fan Favorite Investing:

**Investing for Beginners** Giovanni Rigters, It's time to take your financial future into your own hands because no one else will. There is too much false information available and it's too easy to lose your money investing. That's why we'll take a close look at the basics of investing, how to analyze investments, and mistakes you should avoid. Time is of the essence. So don't wait, read this book now.

**David Scott's Guide to Investing in Mutual Funds** David L. Scott, 2004 An investor's guide to mutual funds advises readers on how to set realistic objectives, how to choose stocks, bonds, and money market funds, how to evaluate dividends, capital gains, and market appreciation, and much, much more.

**Original Invest Like a Girl** Jessica Spangler, 2024-03-26 If you're looking for advice that will help you start investing right away, *Invest Like a Girl* delivers this and more. Jessica's engaging guide will help women close the wealth gap, start important conversations, and finance their biggest dreams.

Tiffany the Budgetnista, Aliche New York Times bestselling author of *Get Good with Money*. In a world where many women need to contend with the gender pay gap, take career breaks to raise families, and account for their longer lifespans when saving for retirement, investing is a surefire way to put yourself on firm financial footing. And when women do start investing, they often land higher returns than men. However, as Dr. Jessica Spangler discovered when she shared her financial know-how online, understanding that investing is crucial is just the beginning.

Many of her followers, as well as her real-life friends, coworkers, and even patients, wanted to know exactly how and where they could start. With *Invest Like a Girl*, Jessica shares the essential information and offers the game plans that women need to begin investing right away, and according to their unique financial profiles. Filled with easy-to-implement tools, practical strategies, and real-life examples, this go-to guide to investing will provide the blueprint for you to take the next step with your money, teaching you how to prep your finances, get a clear picture of your net worth, and know exactly how much you can allocate for investing, no matter your income.

Pick up the lingo of investing, understand the differences between ETFs, index funds, mutual funds, bonds, and options, and weigh the pros and cons of each. Manage risk without breaking a sweat. Determine your risk tolerance with a short quiz, learn to use the ups and downs of the market to your benefit, and discover how investing helps you beat inflation. Craft a customized strategy. Outline your most important financial goals, figure out your personal investing style, and decide how to allocate your assets with the help of worksheets, checklists, and sample portfolios along the way.

Whether you're looking to achieve financial independence, make strides toward important life goals, or set aside enough for retirement, *Invest Like a Girl* will get you up to speed and empower you to start investing and make sound decisions about your money.
