# Organization Map

**Frederic W. Kilduff**

## Organization Map:

**Strategy Mapping for Learning Organizations** Phil Jones, 2016-04-01 How can we ensure our strategy will succeed especially in changing and uncertain times The answer as explained in Strategy Mapping for Learning Organizations is to become a more responsive organization one that captures its strategy in strategy maps learns from that strategy and can adapt to deliver results For anyone involved in managing strategy and performance applying the powerful strategy mapping techniques will move your balanced scorecard from an operational tool to one of strategy and change It will help you capture communicate and manage your strategy more effectively However strategy can no longer be simply a top down annual process It needs to be more iterative emergent and involving Many agile organizations have adopted rolling plans and budgets To bring greater agility into the wider strategy and performance management processes requires the tools and techniques described in Strategy Mapping for Learning Organizations Phil Jones provides a detailed guide to developing rolling out and managing with modern strategy maps and scorecards building in agility and learning His book incorporates the latest strategic thinking and models It places the balanced scorecard in a wider governance context that includes the management of risk and environmental and social responsibility Fully illustrated with examples from many different organizations this book will help you deliver your strategy better
