

Organizational Citizenship Behavior: 5 Dimensions

Organizational Citizenship Behavior

AN Whitehead

Organizational Citizenship Behavior:

Organizational Citizenship Behavior Dennis W. Organ, 1988 **Organizational Citizenship Behavior** Dennis W. Organ, Philip M. Podsakoff, Scott B. MacKenzie, 2005-06-15

Organizational Citizenship Behavior: Its Nature, Antecedents, and Consequences examines the vast amount of work that has been done on organizational citizenship behavior (OCB) in recent years as it has increasingly evoked interest among researchers in organizational psychology. No doubt some of this interest can be attributed to the long held intuitive sense that job satisfaction matters. Authors Dennis W. Organ, Philip M. Podsakoff, and Scott B. MacKenzie offer conceptual insight as they build upon the various works that have been done on the subject and seek to update the record about OCB. Key Features: Explores how OCB translates into objective measures of efficiency, profitability, customer satisfaction, and other criteria of organizational functioning. Examines how important OCB is in other societal cultures and correlates findings from North American studies. Addresses the relative importance of individual personality as a factor in determining OCB. OCB has become a foundation for concepts in Organizational Studies. This book provides an all encompassing resource for students, scholars, and practitioners looking for a comprehensive understanding on this key topic. It is an excellent textbook for advanced undergraduate and graduate students studying organizational behavior or organizational psychology in courses such as Strategic Human Resource Management, Measurement of Work Performance, Behavioral Organization Theory, and Social Psychology of Organizations.

The Oxford Handbook of Organizational Citizenship Behavior Philip M. Podsakoff, Scott Bradley MacKenzie, Nathan P. Podsakoff, 2018

The Oxford Handbook of Organizational Citizenship Behavior provides a broad and interdisciplinary review of state-of-the-art research on organizational citizenship behaviors (OCBs) and related constructs such as contextual performance, spontaneous organizational behavior, prosocial behavior, and proactive behavior in the workplace. Contributors address the conceptualization and measurement of OCBs, the antecedents, correlates, and consequences of these behaviors, and the methodological issues that are common when studying OCBs. In addition, this handbook pushes future scholarship in this and related areas by identifying substantive questions, methods, and issues for future research. The result is a single resource that will inform and inspire scholars, students, and practitioners of the origins of this construct, the current state of research on this topic, and potentially exciting avenues for future exploration. This handbook is designed to meet the needs of a broad spectrum of researchers and advanced undergraduate and graduate students in a variety of disciplines including management, organizational behavior, human resources management, and industrial and organizational psychology, as well as those interested in studying citizenship behavior in a variety of organizational contexts including marketing, nursing, engineering, sports, and education.

Organizational Citizenship Behavior and Contextual Performance Walter C. Borman, Stephan J. Motowidlo, 2014-02-24

These articles describe ideas about contextual performance, organizational citizenship behavior (OCB), and similar patterns of behavior that have been developed by scholars working from very different research traditions. It seems that the different

research traditions are converging on the same notion that besides formal job requirements other patterns of behavior are also critical for organizational effectiveness and survival These other patterns of behavior have been relatively ignored until recently but now scholars are trying to define them determine exactly why and how they are important for organizations and identify their antecedents The results of these research efforts described by articles in this issue will help to make it possible to develop new conceptual and practical tools for managing these important behaviors and in that way promote human performance and organizational effectiveness

Organizational Citizenship Behaviour in Human Service

Organizations Mohd. Muzamil,Shawkat Ahmad Shah,2025-08-28 This book is about organizational citizenship behaviour in human service organizations Organizational citizenship behavior is a relatively new construct that has generated interest not only among the researchers but also policy makers and it is considered to be a strong predictor of organizational effectiveness One of the main objectives of this book is to explain organizational citizenship behaviour from a psychometric viewpoint in context of human service organizations Considering the recommendations put forth by various authors of books written on organizational citizenship behaviour there is an urgent need for a book that explains organizational citizenship behaviour from the perspective of human service organizations It is hoped that the book will serve as a foundational resource for researchers working for the welfare of human service organizations especially those functioning in the Asian region

Handbook of Organizational Citizenship Behavior David L. Turnipseed,2005 This is the first book on this topic since 1988 It contains 20 timely chapters providing a wealth of information on OCB in its traditional conceptualisation as well as new ideas suggesting the future of the construct This multidisciplinary construct which includes management marketing industrial psychology public administration healthcare education tourism and hospitality and related fields provides significant benefits to employees managers and the organisation Consequently it is of great interest to academicians The book is divided into four sections The first Conceptualisations contains five chapters that propose new ways of conceptualising OCB and point to the future of OCB research The second section Measurement and Level of Analysis contains three chapters that address measurement of OCB and consider the individual group and organisational levels of analysis Antecedents of OCB comprise the third section which includes social exchange networks role identity autonomy and empowerment motivational traits rewards and punishments context and OCB as social dilemmas OCB effectiveness link the impact of OCB on turnover OCB and Burnout and customers as good soldiers

Organizational Citizenship Behavior

Gerardus Blokdyk,2018-04 How does Organizational citizenship behavior integrate with other business initiatives What is the total cost related to deploying Organizational citizenship behavior including any consulting or professional services Are assumptions made in Organizational citizenship behavior stated explicitly Why are Organizational citizenship behavior skills important Can we do Organizational citizenship behavior without complex expensive analysis Defining designing creating and implementing a process to solve a challenge or meet an objective is the most valuable role In EVERY group company

Organizational Citizenship Behavior Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Organizational Citizenship Behavior PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and

empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Organizational Citizenship Behavior PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Organizational Citizenship Behavior free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
