Marcuse,1990-01-01 This ambitious undertaking is designed to acquaint students teachers and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature Within each of 24 major sections Marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate Although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as James L Harner's Literary Research Guide Modern Language Assn of America 1989 larger academic libraries will want Marcuse's volume Jack Bales Mary Washington Coll Lib Fredericksburg Va Library Journal      **Libraries in India's National Developmental Perspective** Mohamed Taher,2001      Catalog of the Oriental Institute Library, University of Chicago University of Chicago.
