Original Sin Leigh Cuen, 2019-06 **Two Poems: What of it and Original Sin** Robinson Jeffers, 1948 **An Original Sin, and Other Poems** Eugene Robert Platt, 1974 **Original Sin** Luna Pih, 2019-10-27 Ruminating the darkest archives in life and death poet and illustrator Luna Pih delivers her second book *Original Sin* The 75 page book dives head first into the ineffable notions of sin devilry indulgence abuse lust addiction tribulation fear and myth Brutally honest and emotionally raw the author pens her most daunting and fragile moments as a means of relief and closure Each page features 32 new original poems and prose writings along with complimentary illustrations and photography **A Concise Biography of Original Sin** John Samuel Tieman, 2009 Twenty poems confront human failure vengeance death disability and grief drawing meaning and solace from vivid descriptions of war experiences especially Vietnam and a veteran's life afterward Provided by publisher **Original Sin** Michael Foldes, 2022-08-28 So you ask what's behind the poetry Cynicism Sarcasm Sadness The balance of love and joy weighed against hate and depression where the latter wins out and we all lose Advancing age where one senses his or her own mortality and responsibilities we bear to make things right and that there likely will never be enough time to do so That so much of what we write about with passion is not the love and kindness that exists but the love and kindness we want and need to exist but that more often evades us Putting these thoughts into print is a way to fend off the ghosts that appear before me every day that reach out with fearsome intimacy and whose deadly intentions are cast out momentarily only by thoughts of family Then there's the satisfaction one derives from wordplay and the occasional paroxysm experienced when arriving at just the right turn of phrase **The Poetry of Michelangelo** Chris Ryan, 1998-01-01 *The Poetry of Michelangelo* offers a unique insight into the mind and heart of one of the greatest artists of all time and is a notable literary achievement in its own right This book provides an invaluable tool for gaining access to this major cultural and literary source it lays out the broad chronological evolution of the poetry and above all through a close analysis of the individual poems and a concluding overview it clarifies both the meaning of the poems and verbal artistry that shaped their construction *The Complete Poetry and Essential Prose of John Milton* John Milton, 2009-10-28 John Milton is next to William Shakespeare the most influential English poet a writer whose work spans an incredible breadth of forms and subject matter *The Complete Poetry and Essential Prose of John Milton* celebrates this author's genius in a thoughtfully assembled book that provides new modern spelling versions of Milton's texts expert commentary and a wealth of other features that will please even the most dedicated students of Milton's canon Edited by a trio of esteemed scholars this volume is the definitive Milton for our time In these pages you will find all of Milton's verse from masterpieces such as *Paradise Lost* widely viewed as the finest epic poem in the English language to shorter works such as the *Nativity Ode* *Lycidas* *A Masque* and *Samson Agonistes* Milton's non English language sonnets verses and elegies are accompanied by fresh translations by Gordon Braden Among the newly edited and authoritatively annotated prose selections are letters pamphlets

political tracts essays such as *Of Education* and *Areopagitica* and a generous portion of his heretical Christian Doctrine These works reveal Milton's passionate advocacy of controversial positions during the English Civil War and the Commonwealth and Restoration periods With his deep learning and the sensual immediacy of his language Milton creates for us a unique bridge to the cultures of classical antiquity and medieval and Renaissance Christianity With this in mind the editors give careful attention to preserving the vibrant energy of Milton's verse and prose while making the relatively unfamiliar aspects of his writing accessible to modern readers Notes identify the old meanings and roots of English words illuminate historical contexts including classical and biblical allusions and offer concise accounts of the author's philosophical and political assumptions This edition is a consummate work of modern literary scholarship

The Serpent and the Rose: The Immaculate Conception and Hispanic Poetry in the Late Medieval Period Lesley K. Twomey, 2008-06-03 *The Serpent and the Rose* examines the theological and liturgical context for the doctrine of the Immaculate Conception in the Middle Ages from primary sources in Iberian archives Its main focus is a study of Marian poetry from Alfonso the Wise and Gonzalo de Berceo through to the poetry collections of the late fifteenth century showing how poets took themes from the Bible and apocryphal literature combining them to defend and praise Mary's conception without sin Individual chapters assess how they depicted Mary's prefiguration in the Old Testament by the Woman who defeated the serpent the young bride of the Song of Songs or the semi deity Wisdom how they portray her as the mystic rose and as the new Eve
