Ormerods Landing:

Ormerod's Landing Leslie Thomas,2011-05-31 Historians of the Second World War have hitherto omitted to mention that the first British raid on German occupied France took place within four months of Dunkirk It happened at midnight on September 21st 1940 the landing being made at the small fishing town of Granville in Normandy The landing party consisted of a detective sergeant of the Metropolitan Police V Division a young French woman schoolteacher and an ugly mongrel dog named Formidable They were considerately brought ashore by the Germans themselves George Ormerod was the detective sergeant in question not the most imaginative of policemen but true to his name most resolute in his investigations An ormer is a notably tenacious shell fish of the English Channel While the war is being lost all around him Ormerod remains obsessed with the mundane murder of a young woman in Wandsworth even pursuing his investigations amongst the returning and bewildered troops How the investigation blazed a savage trail through rural Normandy and led to Nazi occupied Paris and how Marie Th r se Velin and her often ruthless Resistance allies become involved with George Ormerod are questions Leslie Thomas answers as his tale unfolds In Ormerod s Landing an exciting and ironic tale of Britain and France in the early years of the war he once again creates a tender farcical world in which his unique humour and irony flourish *Smith, Hogan, and Ormerod's Text, Cases, and Materials on Criminal Law* David Ormerod,Karl Laird,2020 This volume is a thorough and accessible guide to criminal law providing invaluable extracts from key cases statutes and expert articles which have been carefully selected to illuminate the core of criminal law Ormerod and Laird expertly guide the reader through the various facets of the law while posing stimulating questions for students to investigate further and reflect upon **Life of Robert Moss Ormerod, Missionary to East Africa** Joseph Kirsop,1901 Miss Ormerod's Protégé F.
