## **Orphan The:**

*AMERICAN ORPHAN-The Life and Times of Roger Dean Kiser* Roger Dean Kiser, 2005 These are my stories of my abuse years that I suffered while living in a Jacksonville Florida orphanage The pain suffering and mental anguish is not easy to read These stories tell of my feelings How I took that suffering boldly and how I tried as best I could to ease the pain of others The abuse hurt and pain I suffered as a child has never left my mind and I feel it as strongly today as I did when I was a child Forever these memories live with me as a reminder of where I came from and who I am If the quote above is indeed true then why I did not turn out to be an abuser Many who read my stories of my abusive childhood marvel at how I could become a contributing member of society How I can become a published author with only a 6th grade education how I can focus on the horrible abuse and how I earnestly strive through my books and my media coverage to seek public and government reform How can I help others when so much in me goes unhealed So why did I not turn out to be an abuser myself It is because I could no longer stand to see the pain abuse causes in the hearts and mind of my fellow man I know the desperation very well I was there and it happened to me I cannot recall even one instance where I physically abused my children I suppose this is because the abuse the hurt and the pain that I suffered as a child has left such a devastating effect on me I promised myself I would never do this to my children I find I make that conscious decision everyday My children are grown and have children of their own Now I reaffirm my decision for my grandchildren s sake I choose not to abuse It is a decision that I make every day of my life I help others because I have no choice When I see the pain of others my own past reappears and it hurts me so badly I see myself in their faces I understand their mental torture and I know their hopelessness I need to let them know that I am here and I am a friend I understand because I have been where they are Nobody was there for me but I am determined I will be there for them I must do what I can to save them in order to save myself Roger Dean Kiser s Bio Published author and internet writer Roger Dean Kiser s stories take you into the heart of a child abandoned by his family and abused by the system responsible for his care Through his stories he relives the sadness and cruelty of growing up an orphan in the early 1950s Today Kiser lives in Brunswick Georgia with his wife Judy where he continues to write publishing most of his work on his internet web site [www.rogerdeankiser.com](http://www.rogerdeankiser.com) and short story index at [www.geocities.com/trampolineone/survive\\_noframe.htm](http://www.geocities.com/trampolineone/survive_noframe.htm) Since it s beginning *AMERICAN ORPHAN* has become one of the most read child abuse web sites in the world At last count it had a readership of about 4 6 million since November of 1999 It is through his writing that Kiser has begun healing the pain suffering and sadness of the orphan within him Unknowingly at first and by the power of the internet Kiser s stories have touched millions In the vain of Mark Twain Roger Dean Kiser s collection of almost 400 stories have captured the drama and emotion of not only his childhood but of his current day tales Kiser s short stories carry with them strong images and feelings that search out and find that common thread which connects each of us to our own emotions Roger will never forget how he and about 300 other children were treated as though they were less than

human while living in a Jacksonville Florida orphanage in the 1950s and 1960s Roger s has taken those feelings and has done his very best to help those less fortunate than himself Roger s short stories have also been published in books and magazines around the world Publications such as Chicken Soup for the Grandparent s Soul Chicken Soup for the Horse Lover s Soul Chicken Soup for the Caregiver s Soul Chicken Soup for the Friend s Soul USA Heartwarmers USA Heartwarmers of Love USA A Cool Collection I and A Cool Collection II Israel Faith True Stories of Friendship USA Teen Miracles USA Man s Best Friend Australia The Next Voice You Hear USA Soul Disclosures USA Dog Buddies Australia Skyline Magazine IV USA Venice Gulf Coast Living Petwarmers CD Collection USA Kiwanis Magazine as well as his own CD titled The Life and Times of Roger Dean Kiser Roger s short story The Bully was made into a short film by Nicholas Delfino and Edward Asner Mary Tyler Moore Show and has been entered into several major film festivals in the United States Between Edward Asner s bustling award winning career and a busy political agenda the actor has still made himself available to lend his support and voice to Roger Dean Kiser Asner is credited as a factor in the publishing of Kiser s first book Orphan in 2001 and was the Executive Producer on the short film The Bully written and directed by Nicholas Delfino and adapted from the Kiser short story by the same name More recently he recorded two of Kiser s works Butterflies and Elvis Died in a Florida Barber College as audio stories for Bear Buca Entertainment Asner has also been very supportive in the development of a possible feature film or television series based on Kiser s stories      *London* Charles Knight (Publisher.),1844      **London** Charles Knight,1844

Clark,2014-10-15 Adoption and The Gospel delivers sound biblical doctrine that most have never heard One does not need to be a bible scholar to understand its message Gerald Clark chronicles his struggle to overcome his traditional image of an orphanage and how he learned from heart wrenching personal experiences with the children what they so desperately want and need Six years working with children in an orphanage in the Philippines left Gerald and his wife seeking answers to difficult and very troubling questions If God loves me why am I an orphan If you love me why dont you adopt me I kept asking myself Whats wrong with this picture No matter how much we love and care for children in an orphanage theyre still orphans Whats wrong with the picture is that we simply dont understand that children just dont want to BE orphans Would we need more orphanages if Adoption was part of the Global Mission Strategy of every evangelical church in the world Adoption says something about the Gospel and Gods love that no other word can say The Gospel is incomplete if it fails to include adoption Jesus came into the world to bring us a living example of Gods love so that we might receive the adoption as sons Galatians 4 4 5 As many as received Him to them He gave the right to become children of God

John 1 12 The solution to the worlds orphan crisis is found in the bible Adoption Ministry equips the church to accomplish the task and God has called millions of families around the world who already want to adopt

**Oral Tradition Narratives of the Emai People** Ronald P. Schaefer, Francis O. Egbokhare, 2000 This collection of seventy prose of narrative samples represents the only published record of the oral tradition of the Emai people of southern Nigeria The narratives are presented in both Emai orthography and English translation They tend to portray everyday cultural practices of the Emai with human characters or their animal personification As such they provide an initial glimpse of Emai cosmology cultural values and social norms as well as a firm impression of how Emai grammatical resources function in spontaneous narrative discourse Ronald P Schaefer is Professor at the College of Arts and Sciences Department of English Language and Literature at the Southern Illinois University at Edwardsville Francis O Egbokhare teaches at the University of Ibadan in Nigeria

## **Orphan The Introduction**

In today's digital age, the availability of Orphan The books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Orphan The books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Orphan The books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or

professional purposes. By accessing Orphan The versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Orphan The books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Orphan The books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Orphan The books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Orphan The books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Orphan The books and manuals for download and embark on your journey of knowledge?
