Orphean Passages:

The Orphean Passages Walter Wangerin, Jr., Walter Wangerin, 1996 A remarkable weaving of faith myth and humanity from award winning novelist Walter Wangerin Jr Faith writes Walter Wangerin is a relationship with the living God enacted in this world It is ever changing and inherently dramatic The Orphan Passages is Wangerin's compelling story of a Christian pastor's career and the drama of his faith Interlaced with the classical myth of Orpheus and Eurydice this daring and unconventional inquiry into Christian experience ranks among the most challenging of Wangerin's works Wangerin sees in the ancient myth an extraordinary parallel of the twists and turns individuals follow in their journeys of faith In the author's own present day Reverend Orpheus that parallel is vividly played out rendering the modern story of one man both universal and timeless The Orphan Passages asserts the truth of a legend that people of all times have experienced It has the immediacy of a well wrought novel driving readers on to the surprising yet inevitable conclusion
