New York Times bestselling author on a journey to the sun washed hills of Tuscany Another sexy wonderful contemporary love story with all the heart wisdom and wit that have made Susan Elizabeth Phillips the gold standard for women's fiction Dr Isabel Favor author of Four Cornerstones for a Favorable Life has sacrificed everything to build her self help empire Then in a matter of weeks it all comes crashing down She loses her money to an unscrupulous accountant her fianc to a frumpy older woman and her reputation to headlines denouncing her as a fraud America's diva of self help soon discovers she can fix everyone's life but her own Broke heartsick and soul weary she heads for Italy in search of a little breathing room Lorenzo Gage makes his living killing people on the silver screen that is He's viciously handsome and sublimely talented But as he begins his vacation in Italy he's also vaguely dissatisfied Being a villain with a face to die for has its rewards but he hates the

feeling that everything he's neglected in life is catching up with him. Then he spots Isabel sipping a glass of wine in a sidewalk caf. A good guy wouldn't think of seducing such a tidy looking woman but he'd never seen the fun in playing the hero. It doesn't take long for Isabel to realize she's escaped one kind of chaos only to be plunged into another. Even the shelter of a simple stone farmhouse nestled in a Tuscan olive grove can't provide her with the refuge she needs not when the townspeople are scheming to drive her away and her plan to restore her reputation has come up empty. And especially not when the man who deceived her refuses to leave her in peace. Breathing Room is a book for any woman who's dreamed of wandering through a vineyard of lazing under the Tuscan sky or of reforming a deliciously wicked man. This is a story of hope and renewal of love and redemption when it's needed the most. Sometimes it takes a special place a special love a little breathing room for life to deliver all its glorious promise.

Media Blight and the Dehumanizing of America William K. Shrader, 1992-04-30 This impassioned critique of contemporary mass culture argues that the media particularly television as the spearhead of electronic communications technology contributes to the pervasive demoralization of the American public. By stimulating the public with an endless stream of enticing essentially unattainable illusions the media produce what William K. Shrader calls the experiential bind a phenomenon rooted in the incongruity between the two juxtaposed realms of vicarious and firsthand experience. The internalized bind causes a chronically irritated self ideal discrepancy producing morbid guilt. This condition is familiar to mental health specialists and is frequently invoked to explain the erratic and socially destructive behavior patterns of the mentally ill. Following a brief introduction Chapter 1 describes the experiential bind and the media's imagery of unreality. This imagery is analyzed from two essential aspects 1 the imagery of fantasy which predominates in prime time network entertainment programming on television and in the majority of Hollywood movies and 2 the imagery of doom which predominates on television news programs shown in large cities across America every evening of the week. Chapter 2 is an elaboration of psychodynamic considerations specifically how both aspects of unreality affect such human characteristics as self esteem feelings of inadequacy guilt and narcissism. Chapter 3 continues with societal reverberations including loss of community involvement and rampant consumerism. Chapter 4 turns to rehabilitation and prevention drawing on Shrader's experience as a clinical psychologist and therapist counselor. Chapter 5 is concerned with the emergence of a technological society and its contribution to materialism in America. The final chapter presents concluding thoughts involving especially the author's theme that hedonistic materialism is America's Achilles Heel. Media Blight and the Dehumanizing of America is suitable for the general reader and will be particularly useful to scholars of
