businesses is quite low. The Entrepreneur's Guidebook contains advice on how to improve the odds. It discusses how to use the entrepreneurial method to develop a more profitable business, how to find the right customer segment, the innovation techniques for developing new products and services, and the many alternatives for generating revenue. It also discusses how to write a business plan, what types of funding to pursue, which legal entity to form, the legal issues associated with intellectual property, and much more. It is the essential desk reference for entrepreneurs.

The Entrepreneur's GuideBook Suresh G. Bharwani, 2017-06-19 This book closely resonates with my journey as an entrepreneur. The book can be a wise counsellor to the people who are embarking on this entrepreneurial journey. Just like Suresh's personality, this book is understated with simple and real life experiences but highly impactful insights, tools, and framework from his personal journey as an entrepreneur. His experience of more than 40 years from the revolutionary DIY Radio Kit to a world class training institute that has trained more than 700,000 students till date, his journey says it all. This book is simple to understand and a ready reference guidebook that can be a handy tool for any entrepreneur. I particularly like the Start Stop Continue tool that helps readers reflect on actionables as per their strengths and weakness. I would recommend this book to all entrepreneurs and professionals in any part of their career. Mr. Piyush Goyal, Minister of Coal and Renewable Energy.
