## **New Evangelization Good News To The Poor:**

**New Evangelization** Leonardo Boff, 2006-02-03 At the 500th anniversary of the conquest of the Americas Leonardo Boff offers a telling assessment of the impact and future prospects of Christianity The anniversary has prompted intense soul searching especially in Latin America While church conservatives have called triumphalistically for a new evangelization of the continent others remembering the ongoing toll among native peoples blacks and the poor have called on the church to free itself from vestiges of its colonial past In New Evangelization Boff cuts to the heart of tensions in the church today In his first extensive treatment of Christian mission from a liberation theology perspective he deals with such topics as inculturation and the trinitarian basis of mission He offers an extensive reflection on the figure of the Virgin of Guadalupe as model of a new liberating evangelization The gospel arrived in the Americas under the sign of domination Boff argues that a new evangelization rooted in the culture of the oppressed must occur under the sign of liberation Book jacket *Injustice and the Care of Souls, Second Edition* Sheryl A. Kujawa-Holbrook, Karen B. Montagno, 2023-09-12 The practice of pastoral care cannot escape the realities of injustices and oppression that often operate in the context where caregiving happens In response Sheryl A Kujawa Holbrook and Karen B Montagno present a compilation of essays that reach beyond individualistic white Western middle class models of caregiving that can mimic systems of injustice Instead the resulting volume offers constructive approaches to caregiving that more effectively meet the needs of those who routinely experience marginalization and oppression Kujawa Holbrook and Montagno argue that the fundamental work of religious traditions including caregiving is about human freedom and wholeness As such *Injustice and the Care of Souls* helps chaplains pastoral counselors social service workers and other caregivers to better situate their work within the contexts of those seeking care The book also helps caregivers to reflect on ways their social locations affect their work Since its first publication nearly fifteen years ago this book uniquely offered content that situated contexts such as substructures in urban neighborhoods religious liturgical practices and the impact of public policies as the focus for examining critical dynamics surrounding those seeking care the caregiver and the hope for oppression sensitive forms of pastoral care This second edition revises and reorganizes previous essays while providing additional ones New chapters include ones that highlight the dead time of prison life the impact of moral decision making on veterans and the life or death challenges that immigrants and refugees often face Kujawa Holbrook and Montagno divide this edition s twenty seven essays into five parts with the first part devoted to the pastoral caregiver s positionality The remaining sections address pastoral caregiving as embodied practices cultural fluency and intersectional awareness pastoral practice across the life span and pastoral practice and public witness This volume s contributors offer spiritual caregivers a compilation of approaches to the care of souls that bring healing voice and wholeness to the marginalized and oppressed **Called to Christian Joy and Maturity** Gordon C. **What is Mission?** J. Andrew Kirk, How should today s Church shape its response to the Gospel How can we set about making disciples of all nations in our post Christian multifaitth world What does mission mean in our times Here is a book that addresses these issues and many more with honesty and openness It strips mission of its old associations with colonialism and militarism It looks anew at the underlying theology reminding us that our task is God s mission not a human construct It explores key aspects of contemporary mission from the familiar such as the relation of mission to evangelism and to people of other faiths to the unusual and thought provoking such as mission and the environment justice for the poor and the overcoming of violence Students of mission and Christians who wish to engage with today s world to integrate faith and life will find here an inclusive comprehensive and lucid presentation of all the relevant discussions      **Good News to the Poor** Tim Chester,2013 The chasm between evangelism and social action needs to be bridged Chester convincingly argues that the truth of the gospel is best understood and embraced in the context of loving action and gospel centered community

Overcoming Women's Subordination in the Igbo African Culture and in the Catholic Church Rose N. Uchem,2001 When African scholars lament over the near destruction of African cultures they do not reflect the reality of African women s historical traditions of empowerment and inclusion in pre colonial pre Christian African societies which were also lost in the same process of Western Christian cultural imperialism Similarly most male Church theologians writing or speaking about inculturation do not address the deeper cultural issues which impact heavily on African women from back cover      **Religion and Political Structures** John T.
