New Creation People

Scot McKnight, Joseph B. Modica

New Creation People:

The Back Side of the Cross Diane Leclerc, Brent Peterson, 2022-06-29 The cross has always been portrayed as the means of salvation and forgiveness for sinners but does it have anything to say to those who have been sinned against This book shows that the atonement of Christ has powerful potential to speak to those who have been wronged especially those who have been abused and abandoned in countless ways those who cower at the back side of the cross wondering if they are included As victims of various kinds of abuse are beginning to come out of the shadows in cultural conversation and in the context of the church The Back Side of the Cross is a timely book for several audiences It is thoroughly rigorous and will interest theologians and their students it also offers a very practical section for pastors and those who want to care for the wounded and it can even reach survivors themselves as it offers true hope in the urgency of such real pain Conversations about Heaven Brian G. Chilton, 2023-04-28 Will heaven be boring What will God and heaven look like Will I enjoy heaven Are animals in heaven These questions among others often enter the hearts and minds of people envisioning their final heavenly home Often theologians and pastors have placed unnecessary restrictions on heaven whereas others have claimed that heaven should not be discussed because of so many uncertainties But is this helpful Furthermore is it even biblical In the book Conversations about Heaven Dr Brian Chilton reflects on a conversation he had with a lady from Huntsville Baptist Church who asked some of the most challenging questions he ever received They both discovered that if God is the greatest possible being and heaven is God's greatest gift then heaven is a place that is far greater than anything ever imagined Conversations about Heaven challenges you to vastly expand your thoughts on heaven as heaven will far exceed even our greatest imaginations and it encourages you to regularly reflect on the great things that lie ahead in your heavenly home

Bible scholar Anglican bishop and acclaimed author uses the Gospel of John to reveal how Christianity presents a compelling and relevant explanation for our world N T Wright argues that every world view must explain seven signposts indicators inherent to humanity Justice Spirituality Relationships Beauty Freedom Truth and Power If we do not live up to these ideals our societies and individual lives become unbalanced creating anger and frustration negative emotions that divide us from ourselves and from God he contends Using the Gospel of John as his source Wright shows how Christianity defines each signpost and illuminates why we so often see them as being broken and unattainable Drawing on the wisdom of the Gospels Wright explains why these signposts are fractured and damaged and how Christianity provides the vision guidance and hope for making them whole once again ultimately healing ourselves and our world **Wesleyan Methodist magazine for 1851**

W. Kenyon,2025-07-15 Believe it or not as they stood at the foot of the cross the original disciples who walked in close companionship with Jesus knew nothing of the real mission of the man they followed They did

not realize who Christ was why He came why He had to suffer and what was to be gained by His suffering They did not know what happened on the cross or during the three days and nights in the tomb before His resurrection They did not know why the incarnation was important or that it even was an incarnation All they could see was the undeserved suffering of their friend and rabbi Now legendary Bible teacher E W Kenyon reveals hidden truths that were not fully understood until the Pauline Revelation of the Epistles Until God revealed these truths to the apostle Paul no one understood why Christ came why His death on the cross was necessary or what exactly occurred in the tomb They did not comprehend the good news that because of these events we now become the righteousness of God people who can stand in God s presence without a sense of guilt shame or inferiority This is the miracle of redemption and the miracle of New Creation It is the confidence to overcome the devil to heal disease and to call Lazarus out of the tomb To this day far too many believers share the disciple s view of Jesus a biographical account of the things He did the words He spoke and the suffering He endured Because of this limited revelation their Christian faith will experience the same fears and doubts the disciples were left with the day Jesus was crucified Like the apostles at Pentecost we must move beyond sense knowledge and into the Spirit realm We must move beyond religion and into a living and active truth if we are to truly walk in a powerful and overcoming faith A Select Library of Nicene and Post-Nicene Fathers of the Christian Church: St. Athanasius: Select works and letters. 1892 Philip Schaff, Henry Wace, 1903 Current Literature ,1905 Jungle need and home help, ed. by mrs.
