## New Day Has Come:

**Gifted** Edward Sylvain,2019-08-28 Dear readers One thing I would love to share with each one of you is nothing should be impossible as long as you have a dream and is able to work diligently to see that dream come to pass Because nobody is responsible for your success or failure besides yourself Nothing is more wonderful or interesting to know that your whole life itself is so much more than a story to tell In fact we all have a story to tell And it is by your story alone others will begin to arise from under the clouds of fear and share their story with someone else But the main factor is you have to commence from somewhere A story without experience is just a mere story I strongly challenge all those that read this book to read it as if you are reading your own personal book If not now perhaps later Always remember that a world without readers and writers is like a world full of darkness and absolutely void Even the greatest and oldest book that has ever known to all mankind was somehow inscribed by some readers and writers So therefore I am challenging you to take full advantage of this opportunity that you have right now and make something valuable out of it *Passion* Celine Dion Sylvain Beauregard,2002
