Public Budgeting in Georgia Thomas P. Lauth, 2021-08-31 This book describes the institutions and process through which the Georgia General Assembly adopts a budget the executive legislative branch politics that transpire during the process and the tax and spending policies that the process produces It argues that the state's budget is developed by fiscal conservatives within a culture of fiscal conservatism that is conducive to low taxes and low spending It identifies the patterns and trends of taxing and spending over several decades and during the administrations of nine governors Its chapter on the line item veto illustrates the nature of executive legislative budget relationships in the state It concludes with an examination of the important milestones in the evolution of Georgia budgeting and a comparison of Georgia with other states on several dimensions The book offers insights and assessments that will be of interest to budgeting scholars students of state

government and citizens who want to know more about how government taxing and spending decisions are made *The Unemployed People's Movement* James J. Lorence, 2011-03-01 In Georgia during the Great Depression jobless workers united with the urban poor sharecroppers and tenant farmers In a collective effort that cut across race and class boundaries they confronted an unresponsive political and social system and helped shape government policies James J Lorence adds significantly to our understanding of this movement which took place far from the northeastern and midwestern sites we commonly associate with Depression era labor struggles Drawing on extensive archival research including newly accessible records of the Communist Party of the United States Lorence details interactions between various institutional and grassroots players including organized labor the Communist Party the Socialist Party liberal activists and officials at every level of government He shows for example how the Communist Party played a more central role than previously understood in the organization of the unemployed and the advancement of labor and working class interests in Georgia Communists gained respect among the jobless especially African Americans for their willingness to challenge officials help negotiate the welfare bureaucracy and gain access to New Deal social programs Lorence enhances our understanding of the struggles of the poor and unemployed in a Depression era southern state At the same time we are reminded of their movement's lasting legacy the shift in popular consciousness that took place as Georgians influenced by a new sense of entitlement fostered by the unemployed organizations began to conceive of new more equal relations with the state *The White House Looks South* William Edward Leuchtenburg, 2005 At a time when race class and gender dominate historical writing Leuchtenburg argues that place is no less significant In a period when America is said to be homogenized he shows that sectional

distinctions persist And in an era when political history is devalued he demonstrates that government can profoundly affect people's lives and that presidents can be change makers Jacket *The South in Modern America* Dewey W. Grantham, 2001-07-01 The South in Modern America is a lively and illuminating account of the Southern experience since the end of Reconstruction In the twentieth century as in the nineteenth the South has been the region most sharply at odds with

the rest of the nation No other part of the country has as clear cut a sectional image The interplay between the South the North and the rest of the nation represents a rich and instructive part of the United States history illustrating much of the nation s conflict and tension the way it has tried to reconcile divergent issues and its struggles to realize its historical ideals In this new treatment of modern Southern history Dewey W Grantham illuminates the features that make the South a distinctive region while clarifying how it has converged socially and politically with the rest of the country during this century

Program of the ... Annual Meeting Organization of American Historians. Meeting, 1975 *Food Supply of the United States: Part 4-6* United States. Congress. Senate. Committee on Agriculture and Forestry, 1943 *Food Supply of the United States* United States. Congress. Senate. Committee on Agriculture and Forestry, 1943 **Program** Organization of American

Historians, 1974 **The Literature of the Ozarks** Phillip Douglas Howerton, 2019 This book surveys two centuries of Ozarks literature from an Osage creation story to contemporary poetry and fiction This anthology presents writings from more than forty authors and connects these works to major literary movements while exploring their regional themes and their contributions to the social construction of the Ozarks **Readers' Guide to Periodical Literature**, 1935 *The*

New Deal and the South Frank Freidel, 1984 The New Deal and the South edited by James C Cobb and Michael V Namorato essays by Alan Brinkley Harvard Sitkoff Frank Freidel Pete Daniel J Wayne Flynt and Numan V Bartley The New Deal and the South represents the first comprehensive treatment of the impact of the Roosevelt recovery program on the South In essays dealing with the New Deal s overall effect on the South its influence on southern agriculture labor blacks and politics and its significance as a turning point in the region s history the contributors provide readers with an opportunity to develop a more complete understanding of an era which a number of historians now mark as the period in which the New South actually began to become new Each of the essays in this collection was presented at the Ninth Annual Chancellor s Symposium on Southern History held in October 1983 at the University of Mississippi In the introductory essay Frank Freidel identifies the New Deal period as one of the most important phases in the modernization of the South one which linked the wishful thinking of the New South era to the much publicized contemporary Sunbelt South Pete Daniel describes the New Deal s role in the mechanization consolidation and corporatization of southern agriculture a phenomenon that swept thousands of southerners from the land and paved the way for an all out crusade to industrialize the region In his analysis of the New Deal s impact on southern labor Wayne Flynt assesses what the New Deal did and did not mean for southern industrial workers Alan Brinkley stresses the tensions induced in southern politics during the New Deal era particularly those caused by the Democratic Party s increased responsiveness to blacks and organized labor Harvard Sitkoff in surveying the New Deal s impact on black southerners cites the limited nature of that impact but points to the seeds of future progress sown by the Roosevelt Administration and its policies In the concluding essay Numan V Bartley emphasizes the collapse of a paternalistic labor system and the shift of power from small town to urban elites and suggests that the years 1935 1945 may soon be seen as the

crucial decade in southern history The New Deal and the South provides both the serious student and the general reader with an up to date assessment of one of the most critical transitional periods in southern history James C Cobb is a professor of history at the University of Georgia Michael V Namorato is a professor of history at the University of Mississippi

New Deal In Georgia 36 The: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
