ESCHATOLOGY Dr. Andrea D. Keys,2025-02-06 Eschatology is the part of theology concerned with death judgment and the final destiny of the soul and of humankind Also discussed in the book is the meaning of dispensation which is a divinely appointed order a system of order government or organization of a nation community etc especially as existing at a particular time This book on eschatology will first include a minimal definition of the seven dispensations the rapture the tribulation part 1 revelations the abomination of desolations the great tribulation part 2 mark of the beast the battle of Armageddon millennium the great white throne judgment new heaven and new earth and eternity Consequently the author has attempted to place these end of time events in prophetic order and utilized a variety of sources to give insight to the reader Although there are many doctrines of eschatology this author will focus only on the set of beliefs taught through Christian eschatology Life becomes difficult for those who are not educated around technology and social media The same applies to eschatology life and beyond will become extremely arduous for those who are not educated on the devastating events that will take place during our last days on earth Eschatology The Doctrine of the Last Things will open up your understanding of the divine end of time events where Jesus Christ will ultimately reign with his saints in the New Jerusalem for all eternity According to the 1

Thessalonians 4 16 17 KJV which reads For the Lord himself shall descend from heaven with a shout with the voice of the archangel and with the trump of God and the dead in Christ shall rise first Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord Amen
