

# 6 Simple MINDFULNESS Activities for Your Classroom

## BELLY BREATHING

**Centervention** has a complete lesson plan you can use on belly breathing. You will find everything from pre and post discussion questions to step-by-step directions. It is a wonderful activity for when students need to cool down and self-regulate.

## BRAIN BREAKS

**Brain breaks** are activities, or short breaks, that promote learning and focus for students. These types of breaks involve students participating in activities like mindful breathing, mindful movements, and mindful yoga.

## BREATH, THINK, DO

The free **Breath, Think, Do** app through Sesame Street is great for introducing young children to calm through breathing. Children help an animated monster facing a frustrating situation calm down by taking long, deep breaths.

## CALMING CORNER

**Calming corners** can help reduce students' stress and provide calming visual, auditory, and tactile experiences for de-stressing. A calming corner can be a physical corner in your classroom or a virtual space.

## MINDFUL JOURNALING

**Three Good Things: A Happiness Journal** is a free app that can help students with mindful journaling by having students write down three good things that happen to them each day. As a result, their happiness and positivity increase.

## SMILING MIND

**Smiling Mind** is a free app that offers hundreds of mindfulness activities. In addition to breathing meditations, the app has sensory exercises, like listening to music. There are programs for kids in different age groups, as well as for schools, workplaces, and sports.

**Mindfulness Activities for Parents and Kids** Prema Goleman,2019-04-12 Have you ever wished that parenting came with an instruction manual While there is no step by step guide to help raise your child from an infant to a young adult there are several tools that can help you raise your child into a productive successful member of society Among these tools is mindfulness a practice that can help your child manage their emotions and adapt in times of stress This is not just a tool that will make parenting easier it will prepare your child for the rest of their life Ultimate Beginners Guide to Mindfulness Meditation Mindfulness Activities and Ideas for Kids and their Parents Includes Bonus Mindful Meditation Mastery DownloadMindfulness can help you find balance and peace in your life but it can also help your children in exactly the same way It has been proven that children who meditate feel safe healthy and happy They also better understand their needs and themselves The meditation stories presented in this book involve all five senses and they are very simple to follow You can either try this with your children or if you are a teacher child psychologist or social worker you can also find these very useful You can try them out with your children in the comfort of your home or in a classroom or your

office. Don't think that you need to be an expert to try these with your children. This book will teach you everything you need to know to successfully introduce meditation to your kids. Why don't you start right away and help your children find that inner peace that will enable them to cope with what the world has for them. Mindfulness has its benefits for children and adults. It helps you learn how to be present in the moment and identify emotions that may influence your thoughts and behaviors. It also brings about a sense of peace in life and the ability to appropriately respond to stress and negative emotions. These benefits are things that could help anyone but they will especially help children. Children who learn to manage emotions and stress early on will have an easier time dealing with the circumstances that may come in life. They may also be able to identify emotions easier which encourage them to communicate with you and work through problems.
