Leadership Through Group Process and Facilitating Skills Joan Haley,2020-06-22 Whether you run board meetings community groups a family a staff meeting or you teach you are a group leader But whether or not you are a good one is an open question Joan Haley who has led groups and given presentations most of her professional life and studied educational theory and training shares a proven process for effectively leading groups and provides many concrete techniques to facilitate learning She shares the Group Process Formula which is a conceptual framework she developed to work with groups of any kind The Formula is a failsafe structure ensuring leaders enjoy their groups and maximizes the learning of each participant Just as important she reveals how a leader effectively facilitates learning so that participants feel the group is a safe place to work through their own process of self discovery and utilizes the power of the group as a whole to bolster that learning Haley provides information to make sure participants walk away with newfound skills attitudes and behaviors to use in their lives

Effective Leadership Skills Instructor Manual Chris Fife,2014-02-08 Leadership is one of the most important skills in life today We all face leadership situations in our lives and unfortunately many of us are not ready for them We are leaders when we become parents to our children we are leaders many times at our jobs we sometimes become leaders at our churches at our communities and among our friends If we shy away from our responsibilities as leaders it only hurts us and those around us It is critical that we are able to learn to be able to master leadership skills in order to be able to face the challenges of our lives Effective Leadership Skills Instructor Manual is for teachers of leadership skills It provides a framework for several lessons on leadership skills These lessons are a foundation for a leadership class and may be the basis for a leadership program The lessons can be taught as a class over a period of a year a semester or a summer program They are flexible enough to do many different activities with or be modified for any age of students The lessons can be taught to elementary secondary and college students These lessons are not to replace leadership opportunities for students They also are not a substitute for students pursuing leadership career paths such as political science The lessons are to help build confidence and give students a sense of what a good leader should be Even the most timid students can gain leadership qualities through these lessons Teachers need to be able to make the lessons their own providing their own unique style of teaching It is important to get students involved as much as possible and to be able to get them problem solving and working together as a team The lessons are designed to help students to be able to learn to cooperate with others and to lead teams in solving problems Leadership Skills Bernard M. Baruch College. Human Services Management Project,1980
