**The New Machiavelli** H. G. Wells,2006-01-01 The New Machiavelli Herbert George Wells,1911 A successful author and Liberal MP with a loving and benevolent wife Richard Remington appears to be a man to envy But underneath his superficial contentment he is far from happy with either his marriage or the politics of his party *The New Machiavelli* (Annotated) H. G. Wells,2016-05-10 The New Machiavelli is a 1911 novel by H G Wells that was serialized in The English Review in 1910 Because its plot notoriously derived from Wells s affair with Amber Reeves and satirized Beatrice and Sidney Webb it was the literary scandal of its day The New Machiavelli Herbert George Wells,2015-12-29 The New Machiavelli is a 1911 novel by H G Wells that was serialized in The English Review in 1910 Because its plot notoriously derived from Wells s affair with Amber Reeves and satirized Beatrice and Sidney Webb it was the literary scandal of its day **The New Machiavelli** Jonathan Powell,2010-10-31 The New Machiavelli is a gripping account of life inside the bunker of Number 10 In his twenty first century reworking of Niccolo Machiavelli s influential masterpiece The Prince Jonathan Powell Tony Blair s Chief of Staff from 1994 2007 recounts the inside story of that period drawing on his own unpublished diaries Taking the lessons of Machiavelli derived from his experience as an official in fifteenth century Florence Powell shows how these lessons can still apply today Illustrating each of Machiavelli s maxims with a description of events that occurred during Tony Blair s time as Prime Minister The New Machiavelli is designed to be The Prince for modern times The New Machiavelli H. G. Wells,2019-09-04 As H G Wells sat down to write he realised with almost shuddering accuracy that he had reached the exact same age as Machiavelli was when he fell from politics and wrote of the restlessness of his spirit And it was this same restless passion that compelled H G Wells to write a similar book Thinking further he unearthed yet more striking parallels of his life and that of Machiavelli and this served as a unique inspiration for The New Machiavelli The result is an inspired and remarkable work of sheer creative genius *The New Machiavelli* H Wells,2018-02-20 The New Machiavelli is a 1911 novel by H G Wells that was serialized in The English Review in 1910 Because its plot notoriously derived from Wells s affair with Amber Reeves and satirized Beatrice and Sidney Webb it was the literary scandal of its day **The New Machiavelli** H. Zuckert,2017-04-25 Machiavelli is popularly known as a teacher of tyrants a key proponent of the unscrupulous Machiavellian politics laid down in his landmark political treatise The Prince Others cite the Discourses on Livy to argue that Machiavelli is actually a passionate advocate of republican politics who saw the need for occasional harsh measures to maintain political order Which best characterizes the teachings of the prolific Italian philosopher With Machiavelli s Politics Catherine H Zuckert turns this question on its head with a major reinterpretation of Machiavelli s prose works that reveals a

surprisingly cohesive view of politics Starting with Machiavelli's two major political works Zuckert persuasively shows that the moral revolution Machiavelli sets out in *The Prince* lays the foundation for the new form of democratic republic he proposes in the *Discourses* Distrusting ambitious politicians to serve the public interest of their own accord Machiavelli sought to persuade them in *The Prince* that the best way to achieve their own ambitions was to secure the desires and ambitions of their subjects and fellow citizens In the *Discourses* he then describes the types of laws and institutions that would balance the conflict between the two in a way that would secure the liberty of most if not all In the second half of her book Zuckert places selected later works *La Mandragola* *The Art of War* *The Life of Castruccio* *Castracani* *Clizia* and *Florentine Histories* under scrutiny showing how Machiavelli further developed certain aspects of his thought in these works In *The Art of War* for example he explains more concretely how and to what extent the principles of organization he advanced in *The Prince* and the *Discourses* ought to be applied in modern circumstances Because human beings act primarily on passions Machiavelli attempts to show readers what those passions are and how they can be guided to have productive rather than destructive results A stunning and ambitious analysis Machiavelli's *Politics* brilliantly shows how many conflicting perspectives do inform Machiavelli's teachings but that one needs to consider all of his works in order to understand how they cohere into a unified political view This is a magisterial work that cannot be ignored if a comprehensive understanding of the philosopher is to be obtained

*Machiavelli on Liberty & Conflict* David Johnston, Nadia Urbinati, Camila Vergara, 2017-03-15

More than five hundred years after Machiavelli wrote *The Prince* his landmark treatise on the pragmatic application of power remains a pivot point for debates on political thought While scholars continue to investigate interpretations of *The Prince* in different contexts throughout history from the Renaissance

to the Risorgimento and Italian unification other fruitful lines of research explore how Machiavelli's ideas about power and leadership can further our understanding of contemporary political circumstances With Machiavelli on Liberty and Conflict David Johnston Nadia Urbinati and Camila Vergara have brought together the most recent research on The Prince with contributions from many of the leading scholars of Machiavelli including Quentin Skinner Harvey Mansfield Erica Benner John McCormick and Giovanni Giorgini Organized into four sections the book focuses first on Machiavelli's place in the history of political thought Is he the last of the ancients or the creator of a new distinctly modern conception of politics And what might the answer to this question reveal about the impact of these disparate traditions on the founding of modern political philosophy The second section contrasts current understandings of Machiavelli's view of virtues in The Prince The relationship between political leaders popular power and liberty is another perennial problem in studies of Machiavelli and the third section develops several claims about that relationship Finally the fourth section explores the legacy of Machiavelli within the republican tradition of political thought and his relevance to enduring political issues

**Machiavelli's Virtue**

Harvey C. Mansfield, 2024-05-31 A masterly new book on the Renaissance courtier statesman and political philosopher Roger Kimball The Wall Street Journal Uniting thirty years of authoritative scholarship by a master of textual detail Machiavelli's Virtue is a comprehensive statement on the founder of modern politics Harvey Mansfield reveals the role of sects in Machiavelli's politics his advice on how to rule indirectly and the ultimately partisan character of his project and shows him to be the founder of such modern and diverse institutions as the impersonal state and the energetic executive Accessible and elegant this groundbreaking interpretation explains the puzzles and reveals the ambition of Machiavelli's thought The book brings together essays that have mapped Mansfield's paths of reflection over the past thirty years The ground one would think is ancient and familiar but Mansfield manages to draw out some understandings or recognitions jarringly new Hadley Arkes New Criterion Mansfield's book more than rewards the close reading it demands Colin Walters The Washington Times An outstanding contribution to Machiavelli scholarship Choice A brilliant interpretation Mansfield's grip on the textual and contextual ramifications is little less than awe inspiring Kenneth Minogue Times Literary Supplement
