**NEWDAWN REBOOT** Dominique Luchart,2021-11-21 A Signal Across The Universe An Anomaly Deep In Space A Countdown Way Too Short The safe world of Ang City under the DAINN planetary network is no longer predictable for the more robust human species that now roam the planet The technologically advanced society of genetically enhanced humans organized in Conclaves and living in 2098 is now run by the younger generation when it suddenly falls prey to an unknown bio dust cloud As people collapse dead or disappear a way of life becomes extinct and the few survivors scramble to reverse the effects on their fragile world Among the five Conclaves the Elite led the charge and fought to survive finding allies in factions that would have customarily opposed them in the conflict This battle transcends time and space over many lifetimes and is a beginning with no end in sight **New Dawn Rising** Blair Ziebarth,2003-12-01 *Dark Angel* Ariel Undine,2011-02-24 Works Gustave Flaubert,1904 *Galactic Heritage Cards* Lyssa Royal Holt,2013-04-02 The Galactic Heritage Cards were first introduced in Japan where hundreds of Lyssa s students have since used them with profound results USING THE CARDS The overall concept of the cards is to explore the journey from unity to fragmentation polarity and back to reintegration Since each of us is part of the same one consciousness this is a holographic journey that unifies us all The card system uses the holographic concept that we are experiencing both unity and separation simultaneously The components of the cards explore this journey in a variety of ways including SPECIES or STAR SYSTEM Twenty one different species or star systems are represented in the four suits or time streams of cards to symbolize the main archetypal groups who have influenced the development of our galactic family THEME Each card has a theme or lesson that is connected to the civilization it depicts Contemplative text and deeper commentary are presented for each card to help users understand how to apply this wisdom in their current lives ARTWORK The architect of these cards the multidimensional consciousness Germane channeled through Lyssa also assisted Hong Kong artist David Cow in the channeling of the images Contemplating the artwork allows more information and energy to be transmitted that goes beyond the text for each card The art works deeply with the subconscious and adds a powerful dimension to the user s inner work with the cards In addition to the individual card art an underlying image spans all the cards when they re laid out on a grid with 18 cards per row This image represents our journey back to integration and thus each card carries an embedded energy of unity even within the uniqueness and separate journey of each card When the final card was channeled the total number was 108 a sacred number in many traditions that reflects the idea of wholeness and completion GETTING STARTED In the accompanying booklet we offer more information the text and commentary for each card and several recommended spreads to help you get started
