Revival: The New Testament Expectation Jonathan F. Bayes, 2016-01-07 Is it right to pray for revival Why are so many of the Scriptures used to support the idea of praying for revival taken from the Old Testament Has the New Testament nothing to say on the subject Isn't revival an Old Testament concept completely fulfilled in the coming of Jesus Christ These are genuine questions that some people raise and this book seeks to address them The author demonstrates that even though revival is not a New Testament word the reality to which the word points is definitely a New Testament theme He also shows that it is impossible to divide the testaments as the questions above imply because the New Testament constantly draws Old Testament material into its own theology Consequently he concludes prayer for revival today is clearly mandated by the New Testament
