New Essays On The House Of Mirth:

New Essays on 'The House of Mirth' Deborah Esch, 2001-01-15 This volume first published in 2001 makes distinctive claims for the historical critical and theoretical significance of Wharton's breakthrough work **Reading Edith Wharton Through a Darwinian Lens** Judith P. Saunders, 2014-01-10 Beneath the polished surface of the genteel environments delineated in Wharton's fiction characters are competing fiercely for desirable mates questing for social status and resources and plotting ruthlessly to advance their relatives fortunes in life This book identifies these and other evolutionary issues central to her fiction demonstrating their significance in terms of character setting plot and theme Connections to existing Wharton criticism are made throughout the book so that readers can see how an evolutionary perspective enriches refutes or reconfigures insights derived from other critical approaches *Student Companion to Edith Wharton* Melissa McFarland Pennell, 2003-05-30 One of the most accomplished American writers of the early 20th century Edith Wharton achieved both critical recognition and popular acclaim This Student Companion provides an introduction to Wharton's fiction Beginning with her life and career the volume places Wharton in the context of her times focusing on how she was shaped by the culture of wealth and privilege into which she was born Her struggle to resist the demands of her social world paralleled her characters lives and contributed to the power of her writing Included are an in depth discussion of her writing along with analyses of thematic concerns character development historical context and plot A close critical reading covers each of her major works with a full chapter devoted to each *The House of Mirth* 1905 *Ethan Frome* 1911 *Summer* 1917 *The Age of Innocence* 1920 and her two novellas *Madame de Treymes* 1907 and *The Old Maid* 1924 Another chapter addresses Wharton's short stories and considers some of her most famous and anthologized tales such as *The Other Two* and *Roman Fever* This companion is ideal for students who are reading Wharton for the first time or for general readers who are seeking a greater understanding of her writing A select bibliography offers suggestions for further reading about Wharton and includes criticism and contemporary reviews of her work *The House of Mirth* Linda Wagner-Martin, 1990 First published in 1905 *The House of Mirth* shocked the New York society it so deftly chronicles portraying the moral social and economic restraints on a woman who dared to claim the privileges of marriage without assuming the responsibilities Lily Bart beautiful witty and sophisticated is accepted by old money and courted by the growing tribe of nouveaux riches But as she nears thirty her foothold becomes precarious a poor girl with expensive tastes she needs a husband to preserve her social standing and to maintain her in the luxury she has come to expect Whilst many have sought her something fastidiousness or integrity prevents her from making a suitable match **Literature and Inequality** Daniel Shaviro, 2020-03-31 The consequences of high end inequality seep into almost every aspect of human life it is not just a question for economists In this highly accessible new work Professor Shaviro takes an interdisciplinary approach to explore how great works of literature have provided some of the most incisive accounts of inequality and its social and cultural ramifications over the last two centuries

Through perceptive close readings of Jane Austen Charles Dickens and Edith Wharton among others he not only demonstrates how these accounts are still relevant today but how they can illuminate our understanding of our current situation and broaden our own perspective beyond the merely economic

Interpretation and Film Studies Phillip Novak, 2020-07-31 This book argues that the sustained interpretation of individual movies has contrary to conventional wisdom never been a major preoccupation of film studies that indeed the field is marked by a dearth of effective engaging and enlightening critical analyses of single films The book makes this case by surveying what has been written about four historically important and well known movies D W Griffith s *Way Down East* Marcel Carn e s *Port of Shadows* Mike Nichols s *The Graduate* and Michelangelo Antonioni s *Red Desert* none of which has been the focus of sustained critical attention and by exhaustively examining the kinds of work published in four influential film journals *Cinema Journal* *Screen Wide Angle* and *Movie* The book goes on to argue for the value of the work of interpretation illustrating this value through extended analyses of Roman Polanski s *Chinatown* and Christopher Nolan s *Memento* both of which thematize interpretation Novak demonstrates the causes and consequences of reading poorly and the importance of reading well

Gothic (Re)Visions Susan Wolstenholme, 1993-01-01 Gothic fiction usually has been perceived as the special province of women an attraction often attributed to a thematics of woman identified issues such as female sexuality marriage and childbirth But why these issues What is specifically female about Gothic This book argues that Gothic modes provide women who write with special means to negotiate their way through their double status as women and as writers and to subvert the power relationships that hinder women writers Current theories of gendered observation complicate the idea that Gothic marked fiction relies on composed individual scenes and visual metaphors for its effect The texts studied here by Ann Radcliffe Mary Shelley Charlotte Bront Harriet Beecher Stowe George Eliot and Edith Wharton explode the authority of a unitary centralized narrative gaze and establish instead a diffuse multi angled textual position for woman Gothic moments in these novels create a textualized space for the voice of a woman writer as well as inviting the response of a woman reader
