**The Quick-Start Beginner's Guide to the Bible** J. Stephen Lang, 2007-03-01 From the author of the bestselling Complete Book of Bible Trivia over 700 000 copies sold comes this instant reference guide to God's Word. This is the perfect foundational book for anyone who wants to learn about the Bible its books and the wonderful treasures within. Not everyone knows what the Bible is why it was written how chapter and verse numbers work and why we even read it today. In this helpful guide author Stephen J Lang answers many key questions including What are the books in the Bible named for? Why are there two testaments? Why are there so many versions? What do the chapter and verse numbers mean? Is the Bible the only holy book? This is an ideal resource for anyone who has never used the Bible before as well as for new believers. It will give them a running start on getting to know the God who loves them and understanding the written Word. He has given them

**Microsoft Power BI Quick Start Guide** Devin Knight, Mitchell Pearson, Bradley Schacht, Erin Ostrowsky, 2020-10-30 An accessible fast paced introduction to all aspects of Power BI for new or aspiring BI professionals data analysts and data visualizers. Purchase of the print or Kindle book includes a free eBook in the PDF format. Key Features: Updated with the latest features in Power BI including Dataflow AI insights, visuals and row level security. Get faster and more intuitive data insights using Microsoft Power BI and its business intelligence capabilities. Build accurate analytical models, reports and dashboards. Book Description: This revised edition has been fully updated to reflect the latest enhancements to Power BI. It includes a new chapter dedicated to dataflow and covers all the essential concepts such as installation, designing effective data models as well as building basic dashboards and visualizations to help you and your organization make better business decisions. You'll learn how to obtain data from a variety of sources and clean it using Power BI Query Editor. You'll then find out how you can design your data model to navigate and explore relationships within it and build DAX formulas to make your data easier to work with. Visualizing your data is a key element in this book and you'll get to grips rapidly with data visualization styles and enhanced digital storytelling techniques. In addition you will acquire the skills to build your own dataflows, understand the Common Data Model and automate data flow refreshes to eradicate data cleansing inefficiency. This guide will help you understand how to administer your organization's Power BI environment so that deployment can be made seamless. Data refreshes can run properly and security can be fully implemented. By the end of this Power BI book you'll have a better understanding of how to get the most out of Power BI to perform effective business intelligence. What you will learn: Connect to data sources using import and DirectQuery options. Use Query Editor for data transformation and data cleansing processes including writing M and R scripts and dataflows to do the same in the cloud. Design optimized data models by designing relationships and DAX calculations. Design effective reports with built in and custom visuals. Adopt Power BI Desktop and Service to implement row level security. Administer a Power BI cloud tenant for your organization. Use built in AI capabilities to enhance Power BI data transformation techniques. Deploy your Power BI desktop files into the Power BI

Report Server Who this book is for Aspiring business intelligence professionals who want to learn Power BI will find this book useful If you have a basic understanding of BI concepts and want to learn how to apply them using Microsoft Power BI this book is for you

*Chronic Pain: a Self-Help Guide* Steven W. *GOOGLE CLOUD QUICKSTART (2025 Edition)* E. Paintsil,2025-08-07 Introducing beginners to Google Cloud and guiding them through the platform s steep learning curve has never been straightforward or consistent Likewise it has often been difficult to find a book that

concentrates on a specific area of Google Cloud while offering practical support to build the hands on skills needed to progress independently This book is designed to help both beginners and intermediate users get started with Google Cloud Platform GCP I believe that focusing on infrastructure as a service IaaS and learning how to configure its key services is one of the most effective ways to build practical expertise My goal is to bring together all the essential materials needed to explore Google Cloud infrastructure in one place so learners can develop a solid foundation in a short time As a textbook this guide also aims to clearly explain the concepts behind the most common and important infrastructure resources and services

**A Survival Guide to Debt** Mitchell Allen, 2009 For readers who are paying bills with credit cards cringing every time the telephone rings avoiding stacks of unopened overdue notices or facing foreclosure Mitchell L Allen offers a practical resource full of hope In this guide Allen empowers readers to make smart choices about how to emerge from debt and recover from the devastating financial and emotional effects of hard times Unlike other debt relief authors Allen doesn't focus on bankruptcy or avoiding bankruptcy he presents all of the options available and explains how to take advantage of them He teaches readers How to deal with financial trouble on their own including negotiating with creditors Where to find professional help with debt problems How to determine if bankruptcy is the best solution How to file for bankruptcy How to regain control of their lives and their finances forever Filled with proven and effective strategies for finding a way out of the debt forest this guide provides the dearest path from debt induced insanity to financial security **Real Self-Care** Pooja Lakshmin, MD, 2023-03-14 National Bestseller featured by Good Morning America NPR's Code Switch The New York Times and The Guardian NPR's Books We Love for 2023 Forbes Greatest Self Help Books of All Time Realistic and trustworthy InStyle This isn't just another self help book It gives us a clear eyed look at the way social systems drain our energy and a concrete set of principles to rely on as we declare independence from these systems Martha Beck New York Times bestselling author of The Way of Integrity This book is for anyone who's ever removed a relaxing sheet mask only to realize it hasn't transformed you so much as your trash can Jessica DeFino The Unpublishable From women's mental health specialist and New York Times contributor Pooja Lakshmin MD comes a long overdue reckoning with the contradictions of the wellness industry and a paradigm shifting program for practicing real self care that will empower uplift and maybe even start a revolution You may have noticed that it's nearly impossible to go even a couple days without coming across the term self care A word that encompasses any number of lifestyle choices and products from juice cleanses to yoga workshops to luxury bamboo sheets self care has exploded in our collective consciousness as a panacea for practically all of women's problems Board certified psychiatrist Dr Pooja Lakshmin finds this cultural embrace of self care incomplete at best and manipulative at worst Fixing your troubles isn't simple as buying a new day planner or signing up for a meditation class These faux self care practices keep us looking outward comparing ourselves with others or striving for a certain type of perfection Even worse they exonerate an oppressive social system that has betrayed women and minorities Real self care in contrast is an internal

self reflective process that involves making difficult decisions in line with our values and when we practice it we shift our relationships our workplaces and even our broken systems In Real Self Care Lakshmin helps readers understand what a real practice of caring for yourself could and does look like Using case studies from her practice clinical research and the down to earth style that she's become known for Lakshmin provides a step by step program for real and sustainable change and solace Packed with actionable strategies to deal with common problems Real Self Care is a complete roadmap for women to set boundaries and move past guilt treat themselves with compassion get closer to themselves and assert their power The result having ownership over one's own life is nothing less than a personal and social revolution
