Langford's Advanced Photography Efthimia Bilissi, Michael Langford, 2013-01-25 Langford's Advanced Photography is the only advanced photography guide a serious student or aspiring professional will ever need. In this eighth edition Efthimia Bilissi continues in the footsteps of Michael Langford by combining an unrivalled level of technical detail with a straightforward writing style while simultaneously bringing the text firmly into the digital era. This book covers the entire photographic process from a technical standpoint not only detailing the how but also explaining the why that is so often missing from photography texts. From the workings of cameras, lenses, digital imaging sensors and software to new hot topics such as HDR imaging, digital asset management and even running your own photography business, everything a serious photographer could need to extend their art into professional realms is covered. The book also benefits from a full glossary, charts and inspirational full color images throughout with summaries and projects at the end of each chapter to reinforce the theory.
