E.

Smith, 2007-03 Even back before the first bits of this story hit the newsstands the folks who published it in Amazing Stories January through April 1934 knew they were on to something special We are sure that our readers will be highly pleased to have us give the first installment of a story by Dr Smith It will continue for several numbers and is a worthy follower of the Skylark stories which were so much appreciated by our readers We think that they will find this story superior to the earlier ones Dr Smith certainly has the narrative power and that joined with his scientific position makes him an ideal author for our columns An awful lot has gone under the bridge since 1934 but you know the folks at Amazing were on to something

Triplanetary really is all that special and we're thrilled to offer it to you now anew **Scion of Conquered Earth** Michael J Allen, 2017-12-30 Alien fighters bombard Earth's ruins Cannibalistic aerobics instructors hunt the wastes The last free survivors struggle against starvation and enslavement It's become a world where friendship costs too dearly and heroics verge on suicide One young man can't resist either until a fed up AI steals him off the planet Alone with only a sarcastic broken down starship he braves a whole new verse full of strange new enemies and tech he barely understands Help and

harm beset him from identical faces forcing Earth's last free scion to decide who he is what he holds dear and just how far he'll go to protect both. The right choices could save Earth. The wrong ones could cost galaxies. **Triplanetary** E. E.
