

# First Quarter

## Lesson 1: Pulse in Music

Week 1

### Introduction

In music, the duration of sound and silence is important. Duration refers to how long and how short tones and silence last. These tones and silence follow a certain beat. Beat can be felt with or without sound. We clap, walk, tap, march, dance, and play musical instruments to show the rhythm and beat of music.

### Activity I

Sing "Leron, Leron Sinta" and move to the rhythm of the song.

#### Remember:

- The symbol ( **l** ) shows the pulse of the sound.
- **Rest** ( **z** ) is the symbol used to show silence.
- We can feel the pulse through clapping, tapping, walking, chanting, and playing rhythmic instruments.

have taken place in the last decade. Notably several chapters now incorporate insights from other fields to shed light on multi-cultural music education, gender issues in music education and non-musical outcomes of music education. Other chapters offer practical information on maintaining musicians' health, training music teachers and evaluating music education programs. Philosophical issues such as musical cognition, the philosophy of research, theory, curriculum and educating musically are also explored in relationship to policy issues. In addition to surveying the literature, each chapter considers the significance of the research and provides suggestions for future study. Covering a broad range of topics and addressing the issues of music education at all age levels from early childhood to motivation and self-regulation, this handbook is an invaluable resource for music teachers, researchers and scholars.
