Tolkien in Central Europe* Janka Kascakova, David Levente Palatinus, 2023-09-29 This

volume is a long overdue contribution to the dynamic but unevenly distributed study of fantasy and J R R Tolkien's legacy in Central Europe. The chapters move between and across theories of cultural and social history, reception, adaptation, and audience studies and offer methodological reflections on the various cultural perceptions of Tolkien's oeuvre and its impact on twenty-first century manifestations. They analyse how discourses about fantasy are produced and mediated and how processes of re-mediation shape our understanding of the historical coordinates and local peculiarities of fantasy in general and Tolkien in particular, all that in Central Europe in an age of global fandom. The collection examines the entanglement of fantasy and Central European political and cultural shifts across the past 50 years and traces the ways in which its haunting legacy permeates and subverts different modes and aesthetics across different domains from communist times through today's media-saturated culture. *Digest; Review of Reviews Incorporating Literary Digest*, 1902 **Media Review Digest C** Edward Wall, 2005-08 **Peter S. Beagle's "The Last Unicorn"** Timothy S. Miller, 2024-04-09 This book assesses the work of one of the foundational figures of American fantasy, Peter S. Beagle. Through its focused analysis of *The Last Unicorn*, this study contextualises Beagle's work in relation to the popularity of the fantasy genre following its growing success in the aftermath of Tolkien's *The Lord of the Rings*. In addition, through reference to the film adaptation of *The Last Unicorn* and also Beagle's other works, this study highlights the author's longevity and the influence that his metafictional and comedic work has had on contemporary fantasy. *Motion Picture Herald*, 1927 *A Power Unbound* Freya Marske, 2023-11-07 An Indie Next and LibraryReads Hall of Fame Pick, *A Power Unbound* is the final entry in Freya Marske's beloved award-winning Last Binding trilogy, the queer historical fantasy series that began with *A Marvellous Light*. Messy people and burn it down conflict: Marske uses the full span of the trilogy to build to a beautiful, devastating conclusion. The New York Times: Stunning the writing is lush, the world-building is fascinating, and the romance is searing hot. I am completely obsessed with this story of unrepentantly dangerous people falling in love with one another. Cat Sebastian, author of *The Queer Principles* of Kit Webb: A Best Of Pick for LitHub, Book Riot, Amazon, Powell's, and PopSugar. Secrets, Magic, Enemies to something more. Jack Alston: Lord Hawthorn would love a nice, safe, comfortable life. After the death of his twin sister, he thought he was done with magic for good. But with the threat of a dangerous ritual hanging over every magician in Britain, he's drawn reluctantly back into that world. Now Jack is living in a bizarre puzzle box of a magical London townhouse, helping an unlikely group of friends track down the final piece of the Last Contract before their enemies can do the same. And to make matters worse, they need the help of writer and thief Alan Ross. Cagey and argumentative, Alan is only in this for the money. The aristocratic Lord Hawthorn, with all his unearned power, is everything that Alan hates. And unfortunately, Alan happens to be everything that Jack wants in one gorgeous, infuriating package. When a plot to seize unimaginable power comes to a head at Cheetham Hall, Jack's ancestral family estate, a land so old and bound in oaths that it's grown a personality as prickly as its owner, Jack, Alan, and their allies will become entangled in a night of champagne secrets and bloody sacrifice, and the foundations of magic in
