Song Palmese: Jeremy's book gives a clear and well defined path to an effective and lucrative ghostwriting career.

The Absent

Mother in the Cultural Imagination Berit Åström, 2017-07-11 This anthology explores the recurring trope of the dead or absent mother in Western cultural productions. Across historical periods and genres this dialogue has been employed to articulate and debate questions of politics and religion social and cultural change as well as issues of power and authority within the family. The book seeks to investigate the many functions and meanings of the dialogue by covering extensive material from the 1200s to 2014 including hagiography romances folktales plays novels children's literature and graphic novels as well as film and television. This is achieved by looking at the discourse both as products of the time and culture that produced the various narratives and as part of an on-going cultural conversation that spans the centuries resulting in an innovative text that will be of great interest to all scholars of gender feminist and media studies. *The Readers' Advisory Guide to Genre Fiction, Second Edition* Joyce G. Saricks, 2009-01-01 Experienced librarian and coach Ruth Metz outlines a focused and results oriented plan for achieving the best results from staff members through a coaching style of management.
