**Justice in the Plays and Films of Martin McDonagh** Eamonn Jordan,2019-11-11 This book interrogates the various manifestations of rival systems of justice in the plays and films of Martin McDonagh in analysis informed by the critical writings of Michael J Sandel Steven Pinker Julia Kristeva and in particular Amartya Sen on violence justice equality and the law In McDonagh s works failures to investigate adequately criminal actions are matched by multiple forced confessions and umpteen miscarriages of justice The author explores McDonagh s creative worlds as ones where distinctions between victim and perpetrator and guilt and innocence are precarious where the burden of truth seldom reaches the threshold of beyond reasonable doubt and where the punishments and rewards of justice are applied randomly This project considers the abject nature of justice in McDonagh s writing with the vast implications of justice being fragile suspect piecemeal deviant haphazard and random Tentative forms of justice are tempered and then threatened by provocative anarchic and abject humour As the author argues McDonagh s writing cleverly circulates rival incompatible and comparative systems of justice in order to substantiate the necessities and virtues of justice
