Murder Along The Way:

Murder Along the Way Kenneth Gribetz, 1991 **Murder Along the Way** Kenneth Gribetz, Harry Paul Jeffers, 1989 A prosecutor's personal account of two decades of fighting crime in the New York suburbs describes his involvement with such famous cases as the Brinks robbery and the murder of art dealer Andrew Crispo **Murder along the Yellowstone Trail** Kelly Suzanne Hartman, 2020-06-15 In the fall of 1920 two couples pulled into a campsite just off the famous Yellowstone Trail A few weeks later one couple drove away while the other simply vanished The identities and fate of the couple left behind didn't hit newsstands until three years later In one of the most sensational murder cases ever played out in a Montana court Seth Orrin Danner put up a fight for his life and lost The state executed Seth on July 18 1924 at the Gallatin County Jail but did he commit the crimes Historian Kelly Hartman follows the trail of the Danner family from Kansas to Montana and details the trial of the century trying to decipher what truly happened in Central Park on that grisly day Murder along The Spaarne Kees van der Wal, 2025-06-20 Haarlem a characteristic city on the river Het Spaarne is plagued by an unknown perpetrator who brings great fear to the city and sows death and destruction The entire city and all its inhabitants are in danger but knowledge about where and how the danger lurks remains unknown for a long time Everything begins on King's Day in the market square in the centre of the city where the annual fair takes place A complete chaos in the market square marks the beginning of a weeks long state of emergency declared by the mayor Because there is no clarity about the perpetrator and his motives for a long time and multiple victims are to be mourned a group of citizens even takes the initiative to unmask the perpetrator From the moment a well known Haarlemmer is kidnapped the most horrific events follow one another Hundreds of police officers specialists and experts from Haarlem and Amsterdam bite their lips raw due to the initially elusive situation Then the mayor makes an unprecedented decision and the hunt begins in full force *Murder Along the Cape Fear* David T. Morgan, 2005 *Murder Along the Cape Fear* is the story of Fayetteville and Fort Bragg North Carolina during the twentieth century Seen through the eyes of a native son this is the tale of one a distinguished historian who lived through some of it and heard about much of it from friends and relatives In this hundred year journey the town was profoundly impacted by the establishment of Fort Bragg 10 miles to its west Throughout this hundred year history murder seems to be the scarlet thread that stitched the town into infamy The book demonstrates that Fayetteville was by no means innocent prior to the coming of Fort Bragg Nor did all of the crime and evil emanate from Fort Bragg after 1918 As for murder there was an abundance of killing that had no connection with Fort Bragg but the most sensational murder case of the century involved Jeffrey MacDonald a Green Beret Army captain and physician who received three life terms in federal prison for killing his pregnant wife and two daughters While many other Fort Bragg soldiers were involved with murders along the Cape Fear murders were also committed by transient civilians and local citizens like the famous inventor of the M 1 carbine Marshall Carbine Williams and Velma Barfield who poisoned her mother and three other people In all about two

dozen murder cases some highly publicized and some not are woven into this story about a North Carolina town in the twentieth century Engagingly told this book is a wonderful blend of history lore and murder **The Murders in Praed Street** Cecil John Charles Street,1928 **The Pulpit Commentary** Henry Donald Maurice Spence-Jones,189? **The Murders in Surrey Wood** John Floyd Arnold,1928 Film Review ,1979 The year s releases in review with necrologies and brief articles The Diamond Murders Joseph Smith Fletcher,1929 **Somewhere Along the Way** Elaine Coffman,1998-11-28 She was like a flower grown in a walled garden A perfect lady Annabella Stewart had had every rebellious impulse carefully cultivated out of her That is until she met Ross Mackinnon wild and free as the wind blowing a warm and tempting breeze stirring soft petals to swift desire Betrothed against her will to a man she despised Annabella was haunted by the hurricane force of the blue eyed Texan with the heart thundering grin who had come to Scotland to claim his ancestral home He had a far flung reputation for hell raising and heartbreaking Dazzled by the sheltered young girl with the face of an angel and the body of a dance hall queen Ross boldly defied the harsh traditions of the Highlands when he openly declared his love for a woman already spoken for But life was different in this land of mists and mysteries than on the open prairies and Ross would have to confront the wrath of the clans before he could possess this mysterious creature who alone enslaved his will and enflamed his heart **BOOK COVER The Rival Apprentices.
