**Upgrade Now** Giselle Kovary, Adwoa Buahene, 2012 *Advanced Leadership Skills for Today's Challenges* Ranjeet Dhawan, 2025-01-03 *Advanced Leadership Skills for Today's Challenges* introduces readers to critical concepts in advanced leadership. We cover these topics comprehensively with examples, chapter summaries, diagrams, end of chapter questions, a list of institutes worldwide offering this course, and a glossary of key terms. Our book helps readers grasp difficult concepts easily, teaching how to lead teams, motivate workers to achieve organizational goals, and understand various leadership styles and their applications. It addresses questions about leadership, including how leaders influence teams, convey their ideas, create new strategies, and achieve success. Leadership involves making tough decisions, articulating a clear vision, setting achievable goals, and providing followers with the necessary knowledge and tools. This book is an essential guide for anyone looking to develop advanced leadership skills.

*Lead More, Control Less* Marvin Weisbord, Sandra Janoff, 2015-10-12 *Unleash Commitment Initiative and Innovation* In their decades of leading groups all over the world, Marvin Weisbord and Sandra Janoff discovered they could get superior results by creating an unconventional approach to leadership. Leaders still need to get everyone aligned around the same goals. But to maximize energy, creativity, and product *Lead More, Control Less* Marvin Weisbord, Sandra Janoff, 2015-10-12 *Unleash Commitment Initiative and Innovation* In their decades of leading groups all over the world, Marvin Weisbord and Sandra Janoff discovered they could get superior results by creating an unconventional approach to leadership. Leaders still need to get everyone aligned around the same goals. But to maximize energy, creativity, and productivity, they gain more by focusing on structure rather than behavior, enabling people to take responsibility and manage themselves. *Lead More Control Less* describes eight essential skills for establishing a culture of autonomy and self leadership. Using examples and case studies, Weisbord and Janoff describe how leaders can share responsibility, defuse group conflicts, show everyone the big picture, and more. With this approach, leaders truly gain more control by giving it up.

Van den Block, 2025-02-25 This second edition provides the most up to date information on all aspects of palliative care including recent developments including COVID 19 global policies service provision symptom management professional aspects organization of services palliative care for specific populations palliative care emergencies ethical issues in palliative care research in palliative care public health approaches and financial aspects of care This new Textbook of Palliative Care remains a unique comprehensive clinically relevant and state of the art book aimed at advancing palliative care as a science a clinical practice and as an art Palliative care has been part of healthcare for over fifty years but it still needs to be explained to many Healthcare education and training has been slow to recognize the vital importance of ensuring that all practitioners have a good understanding of what is involved in the care of people with serious or advanced illnesses and their families However the science of palliative care is advancing and this new edition will contribute to a better understanding This new edition offers 86 updated or new chapters out of 108 written by experts in their given fields providing up to date information on a wide range of topics of relevance to those providing care towards the end of life no matter what the disease may be We present a global perspective on contemporary and classic issues in palliative care with authors from a wide range of disciplines involved in this essential aspect of care The Textbook includes sections addressing aspects such as symptom management and care provision organization of care in different settings care in specific disease groups palliative care emergencies ethics public health approaches and research in palliative care This new Textbook will be of value to practitioners in all disciplines and professions where the care of people approaching death is important specialists as well as non specialists in any setting where people with serious advanced illnesses are residing It is also an important resource for researchers policy and decision makers at national or regional levels Neither the science nor the art of palliative care will stand still so the Editors and contributors from all over the world aim to keep this Textbook updated so that the reader can find new evidence and approaches to care

Lead More, Control Less Eight Advanced Leadership Skills That Overturn Convention, 2015 In their decades of leading groups all over the world Marvin Weisbord and Sandra Janoff discovered they could get better results by helping people coordinate and control their own work rather than by issuing orders from above This led people to higher motivation greater creativity and longer lasting results than more traditional practices The most effective way to lead they found is to focus everyone on the same goal set up structures that encourage self regulation and get out of the way But this means learning a set of unconventional skills Lead More Control Less describes eight essential skills for establishing a culture that encourages people to take charge of themselves Using examples and case studies Weisbord and Janoff show leaders how they can share responsibility defuse group conflicts enable everyone to get the big picture and more And they also help leaders deal with personal pressures such as managing anxiety and understanding why the negative reactions they get may have absolutely nothing to do with them By wearing authority more lightly leaders can unleash commitment initiative and innovation beyond what they ever experienced before Mastering these eight skills frees

leaders to concentrate on larger issues confident their people can handle the day to day work With this approach leaders truly gain more control by giving it up using their position to empower others     NCTC Journal National Conservation Training Center (U.S. Fish and Wildlife Service), National Conservation Training Center (U.S. Fish and Wildlife Service), 2002
