*Multicultural Queer* Peter A. Jackson, 2020-04-03 Examining the intersections of race culture gender and sexuality Multicultural Queer Australian Narratives explores the lives of non Anglo homosexuals in Australia and the difficulties they encounter establishing themselves in gay and lesbian communities Through academic analyses creative genres and personal narratives this book describes how lesbians and gay men of ethnic minorities negotiate their sexuality amidst dual cultural forces Multicultural Queer will help you learn about and understand the challenges that gay and lesbian ethnic minorities face within a Western culture Discussing the experiences of individuals who have double or triple minority statuses as gay people as members of ethnic minorities and or as women this book investigates racial stereotypes and the Australian gay ideal From Multicultural Queer you will learn why many gay men of Asian ancestry feel sexually unattractive develop certain habits to make themselves more acceptable to peers and how they struggle to make sense of negative social experiences Multicultural Queer contains research and first hand accounts that give you insight into current efforts to explain and combat the exclusion of minorities such as the relationship between race and sexuality issues related to self esteem of gay Asian men as determined by their identification with Asian and or gay communities common cinematic tropes and theoretical discourses used to depict and define Asians as mostly heterosexual or sexually deviant because of their ethnicity how anti-Semitism and racism are reflected in lesbian communities and how they relate to issues of privilege invisibility and exclusion dilemmas concerns and strategies for integrating multiculturalism and multisexuality in educational institutions to combat homophobia Providing a background on immigration to Australia multiculturalism policies and general facts about the country Multicultural Queer offers you a complete look at the diversity of Australian society This insight will help you understand the feelings stereotypes and attitudes toward ethnic and sexual minorities and how they deal with their sexual and ethnic multiplicity

*Queer Multicultural Social Justice Education* Michelle Lynn Knaier, 2021-03-31 This book shares the author's journey in developing queer multicultural social justice curriculum through performance It covers histories of multicultural education queer perspectives and autoethnography and presents nine explorations of identity awareness    **Cultural, Religious and Political Contestations** Fethi Mansouri, 2015-05-06 This book examines the foundations of multiculturalism in the context of migr societies and from a multi dimensional perspective The work considers the politics of multiculturalism and focuses on how the discourse of cultural rights and intercultural relations in western societies can and should be accounted for at a philosophical as well as performative level Theoretical perspectives on current debates about cultural diversity religious minorities and minority rights emerge in this volume The book draws our attention to the polarised nature of contemporary multicultural debates through a well synthesised series of empirical case studies that are grounded in solid epistemological foundations and contributed by leading experts from around the world Readers will discover a fresh re examination of prominent multicultural settings such as Canada and Australia but also an emphasis on less examined case studies among

multicultural societies as with New Zealand and Italy Authors engage critically and innovatively with the various ethical challenges and policy dilemmas surrounding the management of cultural and religious diversity in our contemporary societies Comparative perspectives and a focus on core questions related to multiculturalism not only at the level of practice but also from historical and philosophical perspectives tie these chapters from different disciplines together This work will appeal to a multi disciplinary audience including scholars of political philosophy sociology religious studies and those with an interest in migration culture and religion in contemporary societies

**Revolutionary Voices** Amy Sonnie,2000-10-01

An anthology of stories by gay youth reveal their fears and joyous moments as they attempt to survive and thrive in a homophobic society

LGBT Studies and Queer Theory Karen Lovaas,John P. Elia,Gust A. Yep,2006 This edited work examines the similarities and differences between LGBT studies and queer theory and the uneasy relationship between the two in the academic world

**Postcolonial and Queer Theories** John Charles Hawley,2001-02-28 Since the 1960s American and Western European gays have set the agenda for sexual liberation and defined its emergence Western models of homosexuality often provide the only globally recognizable frameworks for discussing gay and lesbian cultures around the world and thus Western interpretive schemes are imposed on non Western societies At the same time gay and lesbian lifestyles in emerging countries do not always neatly fit Western paradigms and data from those countries often clash with dominant Western models So too the literature of emerging countries often depicts homosexuality in ways which challenge the existing tools of Western literary critics The thirteen contributors to this book examine the implied imposition of a heavily capitalistic white and generally male model of homosexuality on the emerging world By combining postcolonial and queer theoretical approaches this volume suggests alternative frameworks for describing sexuality around the world and for exploring non Western literary representations of gay and lesbian lifestyles The volume concludes with a chapter assessing new questions in both postcolonial and queer theorizing that suggest common concerns and many avenues for future research

*Queer Phenomenology* Sara Ahmed,2006-12-04 Cultural theorist Sara Ahmed demonstrates how queer studies can put phenomenology to productive use by analyzing what it means for bodies to be oriented in space and time
