## **Multiple Cat Households:**

*Multiple-Cat Households* Carolyn M. Vella, John J. McGonagle, 2001 For many cat loving families there's always room for one more furry friend in the house. In fact, more than 50 percent of households that own cats have more than one. But how many is too many? How should a cat owner introduce a newcomer to the other cats? What can be done about cat fights and kitty cliques? *Multiple Cat Households* answers all of these questions. This book also discusses other topics that are vital to the multiple cat household, including finding the perfect vet, record keeping and preparing for emergencies, saving money by stocking up on cat supplies, choosing a cat sitter and more.
