**Raymond M. Klein, Benjamin K. Doane**

## **Multiple Personality:**

**Engaging Multiple Personalities** David Yeung, 2014-03-15 The general public is bewildered and fascinated by Multiple Personality Disorder Dissociative Identity Disorder Through books television and movies a distorted view of DID is often presented While it may make for good entertainment it fails to truly present the depth and intensity of the inherent trauma Outside the ordinary day to day life experience of most people it is hard to understand Ignoring past trauma simply will not help a patient In his psychiatric practice the author encountered a number of his patients alters face to face He found that the most effective course of therapy was to engage them directly Talking to alters is a strange serious and ultimately compelling experience They are not real according to our customary definitions but neither are they false or fake They are survivors of childhood abuse present in shared flesh and blood The author discusses the phenomenon of DID through case histories and how it manifests clinically Most important he elucidates techniques necessary to help these traumatized patients heal DID patients can successfully engage in and profit from therapy By processing the impact of their past traumatic memory they may reclaim their present

**Looking Inside** Judy Castelli, 2001 Looking Inside gives the reader an intimate peek into one woman's incredible journey with multiple personalities In this amazing book Judy Castelli shares her delightful journal drawings and poetic prose Castelli learned at age forty four that she has multiple personality disorder Determined to move beyond a lifetime of mental hospitals and internal chaos she used her journals to explore the complex system of personalities that share her body Because she understood that words are sometimes not enough she encouraged her alters to speak through art The entries in Looking Inside are ideal to use as individual meditations and personal inspiration and would also lend themselves to use within the context of group work with DID survivors This book contains very appealing line drawings and text that come directly from Judy's journal entries Readers may recognize many of their own thoughts and emotions in this book and can use it as a basis for their own therapeutic journaling Each entry and drawing offers the reader a wonderful opportunity to explore individually or with others the common challenges of coping with trauma as well as the joy found in healing from it

**First Person Plural** Stephen E. Braude, 1995 Originally published New York Routledge 1991

**Multiple Personalities, Multiple Disorders** Carol S. North, 1993 The existence and characteristics of multiple personality disorder MPD have been debated from the time of the first case reports in the 19th century The dispute has never been resolved and MPD has become the most controversial syndrome known to mental health professionals Currently very little balanced academic material on this disorder is available and much of the literature aims to disprove its existence as a psychiatric disorder In the past general understanding of MPD was guided largely by this medical literature but in recent decades the disorder has been widely exposed to both professionals and the public through the mass media This timely work examines MPD from an empirical viewpoint describing the research that has been done on the disorder as well as providing in depth analysis of how MPD has developed over the years in relation to the media The book

identifies the earliest origins of MPD in published literature and traces the course of its development as a concept to the present Existing data on MPD are presented in a detailed review of the current state of knowledge of the disorder including clinical description delineation from other disorders family history studies follow up studies and laboratory documentation The authors also point out specific areas of research that is needed before psychiatry can consider MPD an adequately validated diagnosis This critical approach is designed to provide direction to researchers in the pursuit of a better understanding of MPD and to provide clinicians with a valuable guide

### **Childhood Antecedents of Multiple Personality**

Richard P. Kluft,1985 Childhood Antecedents of Multiple Personality Disorder includes topics such as the effect of child abuse on the psyche the development of multiple personality disorder predisposing precipitating and perpetuating factors and the relationship among dissociation hypnosis and child abuse in the development of multiple personality disorder

Diagnosis and Treatment of Multiple Personality Disorder Frank W. Putnam,1989-02-03 Geared to the needs of mental health practitioners unfamiliar with dissociative disorders this volume presents a comprehensive and integrated approach to diagnosis and treatment Each step from first interview to final post integrative treatment is systematically reviewed with detailed instructions on specific diagnostic and therapeutic techniques and examples of their clinical applications Concise yet thorough the volume offers expert advice on such topics as how to foster a strong therapeutic alliance how to manage crises and what basic errors to avoid

**Multiple Personality Disorder** Quinn Spencer,2018-05-28 Are they just crazy Or is there more to it If you know what multiple personality disorder is you probably wonder how this disorder develops how it manifests itself and what can be done This quick guide will help you get to the bottom of these questions Another term for the disorder is Dissociative Identity Disorder There are causes treatments and symptoms How prevalent it is is another question that will be discussed as well as subtopics such as Common myths that may shock you about Multiple Personality Disorder How physicians and psychiatrists draw conclusions and diagnose Multiple Personality Disorder Why some people have split personalities and how to interact with them Medication and therapeutic treatments for the disorder The strange obstacles one faces when going through therapy with Multiple Personality Disorder What Ayurvedic herbal treatment can do and if it is something you should consider With all the misunderstandings about this disorder it s time to get to the truth Don t deny yourself that truth any longer Give in to your curiosity and figure out what to think of this strange disorder that only affects a certain percentage of the population Know what to do when you meet someone who has it and know what to think of the treatments medication and diagnoses that are being given Add this book to your cart now

Coming Present: Living with Multiple Personality Disorder/ Dissociative Identity Disorder and How Faith Helped Heal Me , *Clinical Perspectives on Multiple Personality Disorder* Richard P. Kluft,1993 The diagnosis of multiple personality disorder MPD entered the clinical mainstream with a rapidity and in a manner atypical for new descriptions of psychiatric illness This book contains the most up to date information on MPD available written by experts in this field The first section is a memorial to Cornelia B Wilbur

M D a pioneer in MPD treatment It is full of personal accounts from people who knew her well The second section deals with general issues in the treatment of MPD It discusses basic principles in conducting the psychotherapy of MPD posttraumatic and dissociative phenomena in transference and countertransference and treatment of MPD as a posttraumatic condition The third section goes on to give case studies that illustrate the application of techniques approaches and insights that are considered important in the treatment of MPD patients but are difficult to learn because they have not been documented in detail in the literature Methods discussed include the use of Amytal interviews play therapy ego state therapy and the use of sand trays The last section of the book discusses some of the contemporary concerns in the field including consultation in the public psychiatric sector and the incidence of eating disorders in MPD patients and on the recent history of the study of MPD

**Multiple Personality Disorder from the Inside Out** Barry M. Cohen, Esther Giller, Lynn W., 1991 In *Multiple Personality Disorder from the Inside Out* 146 people who have MPD and their significant others reveal the complex issues of diagnosis therapy and maintaining personal relationships These writings have been gathered into a compelling and practical volume for anyone interested in improving the support network for individuals who suffer with MPD

**Treatment of Multiple Personality Disorder** Bennett G. Braun, 1986 This book covers the multiple personality disorder

**Beware of the Other Side(s)** Heike Schwarz, 2014-03-15 This interdisciplinary study examines the still vivid phenomenon of the most controversial psychiatric diagnosis in the United States multiple personality disorder now called dissociative identity disorder This syndrome comprehends the occurrence of two or more distinct identities that take control of a person's behavior paired with an inexplicable memory loss Synthesizing the fields of psychiatry and the dynamics of the disorder with its influential representation in American fiction the study researches how psychiatry and fiction mutually shaped a mysterious syndrome and how this reciprocal process created a genre fiction of its own that persists until today in a very distinct self-referential mode

*Multiple Personality* Alfonso Martínez-Taboas, 1995 The syndrome known as multiple personality has been widely studied in North America but the prevalence of this syndrome in Puerto Rico was never reported This book provides an excellent overview of the current literature on the phenomenology physiology theory and treatment of multiple personality now called dissociative identity disorder as well as detailed presentations of three Puerto Rican cases The book includes prefaces by Dr Richard P Kluft founder of the International Society for the Study of Dissociation and Trauma and by Dr Carol Romey who at the time of publication was the President of the Puerto Rican Association of Psychologists Also included in the book is an extensive bibliography and detailed index A chapter by Dr Carlos S Alvarado on the history of the disorder is also included

**Hoax and Reality** August Piper, 1997 Multiple Personality Disorder MPD has become a fad It was once so uncommon that investigators had discovered barely 200 cases by 1980 No longer After that year the number of cases exploded as therapist after therapist began to report seeing dozens scores hundreds of MPD patients However Dr August Piper asserts that the surge in MPD cases is largely generated by the doctors themselves by their over-inclusive diagnostic

criteria and self fulfilling therapeutic techniques      **A Fractured Mind** Robert B. Oxnam,2013-02-05 In 1989 Robert B Oxnam the successful China scholar and president of the Asia Society faced up to what he thought was his biggest personal challenge alcoholism But this dependency masked a problem far more serious Multiple Personality Disorder At the peak of his professional career after having led the Asia Society for nearly a decade Oxnam was haunted by periodic blackouts and episodic rages After his family and friends intervened Oxnam received help from a psychiatrist Dr Jeffrey Smith and entered a rehab center It wasn't until 1990 during a session with Dr Smith that the first of Oxnam's eleven alternate personalities an angry young boy named Tommy suddenly emerged With Dr Smith's help Oxnam began the exhausting and fascinating process of uncovering his many personalities and the childhood trauma that caused his condition This is the powerful and moving story of one person's struggle with this terrifying illness The book includes an epilogue by Dr Smith in which he describes Robert's case the treatment and the nature of multiple personality disorder Robert's courage in facing his situation and overcoming his painful past makes for a dramatic and inspiring book      Literature Search National Library of Medicine (U.S.),1984      **The Doris Case of Multiple Personality** ,1916      Psychological Concepts and Dissociative Disorders Raymond M. Klein,Benjamin K. Doane,1994 This book is based on a symposium that was inspired by the late Donald O Hebb who in his latter years while an Honorary Professor in the Department of Psychology at Dalhousie University became very interested in the phenomenon of multiple personality and other dissociative states Hebb was troubled by the lack of understanding of dissociative behavior and through his discussions with basic science and clinical colleagues in psychology and psychiatry he became convinced that the subject would be a figurative gold mine for psychological theory and experimentation The purpose of the symposium was to bring together clinical and research scientists with an interest and expertise in dissociative phenomena such as multiple personality disorder hysteria and hypnosis This group would exchange ideas and findings discuss theory and lay the groundwork for an interdisciplinary research program into dissociative phenomena generally and more specifically into multiple personality disorder and its principal precipitating factor physical and sexual abuse in children      *Gabbard's Treatments of Psychiatric Disorders* Glen O. Gabbard,2007 A staple of psychiatric practice this edition reflects clinical expertise in an accessible volume It covers all major treatments in psychiatry linked to specific disorders with a pluralistic approach including all major treatment modalities Each chapter has been completely updated and is organized along the lines of DSM IV TR      **Jekyll on Trial** Elyn R. Saks,Stephen H. Behnke,2000-08 Why do we find multiple personality disorder MPD so fascinating Perhaps because each of us is aware of a dividedness within ourselves we often feel as if we are one person on the job another with our families another with our friends and lovers We may fantasize that these inner discrepancies will someday break free that within us lie other personalities genius lover criminal that will take us over and render us strangers to our very selves What happens when such a transformation literally occurs when an alter personality surfaces and commits some heinous deed

Yeah, reviewing a books **Multiple Personality** could increase your near friends listings. This is just one of the solutions for you to be successful. As understood, expertise does not recommend that you have fabulous points.

Comprehending as with ease as covenant even more than supplementary will meet the expense of each success. neighboring to, the message as well as insight of this Multiple Personality can be taken as skillfully as picked to act.
