**Drafting: Fantasy Basketball Strategy for Each Phase of the Game** Josh Ahlstrom Synopsis, 2012-09-23 If your  
interest in this book is in taking your fantasy basketball game to the next level then Drinking and Drafting might as well have  
been written for you personally Fantasy basketball is a lot of fun but it takes quite a bit of skill and effort to be a great  
manager This book will help you know when and where to focus your efforts and how to best tweak your own approach to  
team management in order to fit your personal strengths weakness I've been playing fantasy basketball for more than a

decade and over I've created multiple tools for team managers to analyze trades compare players and even analyze entire teams based on scheduling and other factors I'm probably the only fantasy basketball author who has coded an entire fantasy basketball scoring system and hosted fantasy leagues on my own systems The time I have spent studying fantasy basketball and the things I've learned through the development of my own systems is a big part what makes me comfortable writing this book I decided that if I was to write a book for fantasy basketball managers then I wanted to go all I set out to produce something that would show others the tricks of trade to become better players and that will provide huge value to readers and this book is the culmination of that effort A large portion of the book focuses on fantasy basketball strategy the act of developing and carrying out a strategy Yes it's a bogus word I know The prominent use of the word in the title will hopefully be a sign to the reader that the book is written in a light hearted and down to earth way But have no doubt that it is packed full of useful information for fantasy basketball managers Here's a quick listing of the types of things discussed Different fantasy basketball strategies and how to choose which one you want to use How to initially rank players and how to customize tweak your rankings Drafting strategies Team management tips for during the regular season playoffs and offseason keeper leagues Trade analysis fundamentals and how to maximize your chances of getting deals done Lots more Drinking and Drafting describes each phase of the fantasy basketball season from the preseason offseason all the way up through the fantasy playoffs and tells you exactly what you should be doing during each phase to gain a competitive advantage Those who are just getting in to fantasy basketball will certainly appreciate how the book is carefully broken down into manageable chunks representing each phase of the season Following the advice presented will save new managers countless hours and errors and minimize many of the mistakes that are made by newcomers Many of these mistakes have been historically made by just about everyone ever to play fantasy basketball Just like in the Matrix everyone falls the first time but with this book you won't actually have to make all of those noob mistakes Seasoned fantasy basketball players will find proven ideas about what makes a fantasy basketball team successful and about how to maximize their own skills in each area of the game There's an abundance of information about how to identify your strengths and weaknesses as well as how to both choose and execute a strategy based on them When you're done with Drinking and Drafting you'll know more about fantasy basketball head to head strategy than you ever thought you would You'll also perform better once you start applying the concepts You'll know exactly what parts of your game you can improve and you'll have actionable tips for how to make some of those improvements right away In short Drinking and Drafting will help you to realize and maximize your own skill knowledge creativity mathematical and optimization prowess in the realm of fantasy basketball
