Murder In A Small Town:

Fall from Grace: Murder in a Small Town L R Wright,2024-10-29 Read along with the new TV drama coming this Fall on FOX TV and Hulu It's midsummer in British Columbia and it's murderously hot For Karl Alberg that becomes more than a metaphor when he discovers a body on the beach fresh from a fatal plunge into the icy all too appealing waves Back home in the town of Sechelt where Alberg is the chief of police it's clear that the heat is bringing out the crazies most recently in the form of vandalism at a petting zoo whose owner is volatile enough to make Alberg yearn a little for his days as a big city cop And furthermore his daughter is visiting and his ex wife is getting married again Fall from Grace is an atmospheric gorgeously written novel that brings home both the oppressive heat and the sense of danger that lingers around seemingly banal small town lives

[A Murder in a Small Town](#) Gracie Curry,2010-01 A Small Town Murder A small town in Mississippi shocked the people that lived there for all their lives A man was walking his dog one day and came upon a suspicious garbage bag and he opened it and there was a body inside it It scared him badly but he knew he had to go and get help The police blocked the area off to preserve the scene for evidence and when they took the body from the bag it was a

young woman The investigation started to see what had happen to the young woman

[Murder in the Suburbs](#) Emily Webb,2025-07-29 Shocking True Crimes can happen in Your Street From acclaimed true crime author and podcaster Emily

Webb comes a gripping collection of chilling cases from Australia and beyond This volume delves into both well known and obscure crimes revealing the dark underbelly lurking beneath seemingly peaceful neighbourhoods In 1977 the murder of an Australian nurse living in Texas shocked the community and remains unsolved to this day In 1950 the disappearance of a

Melbourne woman led to the largest search of its time only for her husband to later confess to disposing of her body under dubious circumstances The book also examines decades of baby abductions from hospitals suburban homes and public

streets highlighting the vulnerability of the most innocent among us The still unsolved murder of elderly gentleman grocer Frank Newbery in Newcastle serves as a chilling reminder of the darkness that can lurk in the most familiar places In the 1950s a cricket match in suburban Adelaide turned into a scene of terror when a gunman opened fire fatally shooting one

player and injuring another In 1973 during a bustling football game at Adelaide Oval 11 year old Joanne Ratcliffe and 4 year old Kirste Gordon vanished without a trace their disappearances haunting the community to this day Murder in the Suburbs

is a compelling reminder that even the most tranquil street can harbor dark secrets These true accounts will leave you questioning the safety of the world just outside your door PRAISE FOR EMILY WEBB Suburban True Crime is a cracking read It s full of suspense and mystery but not of the Hollywood variety instead Emily Webb writes about our streets and suburbs The AU Review Webb certainly whets the appetite for more reading around these cases A solid addition to any true crime lover s bookshelf GLAM Her telling of a range of tales reads as factual careful and very considered That doesn t mean that she shies away from explaining what happened to many of these victims it fortunately lacks the sensationalism that can sometimes be found in these sorts of accounts AustralianCrimeFiction.org *The Suspect: Murder in a Small Town* L R Wright,2024-09-24 Read along with the new TV drama coming this Fall on FOX TV and Hulu Winner of the Edgar Award for Best Novel **Prized Possessions: Murder in a Small Town** L R Wright,2024-10-29 Read along with the new TV drama coming this Fall on FOX TV and Hulu In this masterpiece of psychological suspense second only perhaps to Wright s Edgar winning The Suspect the real villain is self delusion it inflicts more damage than even the craziest serial killer In the case of Emma O Brea the delusions concern her marriage When her husband Charlie disappears it quickly becomes apparent that Emma was the only person in Canada who didn t recognize how desperate he had been to leave And then there s Eddie Addison an overgrown delivery boy far from the sharpest knife in the drawer and dangerously obsessed with a pretty young student Eddie and Emma would seem to have little in common but when Inspector Karl Alberg is called in to solve the riddle of Charlie s vanishing act the two sets of disturbing delusions begin to converge with a climax that even the canniest reader is unlikely to see coming *Strangers Among Us* L.R.
