

# What is Deviance?

According to sociologist William Graham Sumner, deviance is a violation of established conventional, cultural, or social norms, whether following, more, or codified law (1906).

It can be as minor as picking one's nose in public or as major as committing murder.

One category of Deviance is Crime, is the violation of a society's formally enacted criminal law.

Most familiar examples of nonconformity are negative instances of rule breaking, such as stealing from a campus bookstore, or driving a car while intoxicated.
