Daniel Lederman

Mipesint Pol Econ Mass Comm Chile:

International Political Economy and Mass Communication in Chile Matt Davies, 1999-06-19 Examines power and hegemony in the international political economy from the perspective of the various agents who produce its systems *The Political Economy of Protection* Daniel Lederman, 2005-03-29 The Political Economy of Protection explains why countries especially developing countries change their trade policies over the course of history It does so through an interdisciplinary approach which borrows analyses from both political science and economics While the central focus of this book is to explain historical changes in trade policy in one country Chile it is broadly relevant for students scholars and trade specialists interested in gaining a deeper understanding of the politics and economics of international trade Given the intensifying public debates about the benefits of globalization the author provides a uniquely rigorous yet interdisciplinary analysis of the forces that shape trade policy decisions not just in Chile but throughout the world
