## **Miracle Of Healing:**

**Miracles of Healing in the Gospel of Mark** John I. Penn Sr.,2021-12-01 Early on in my study it became evident that Mark was not simply recounting the healing incidents that Jesus had performed Mark looked at the healing miracles of Jesus through the lens of God's perspective What was significant to Mark and what captured my spiritual imagination was his interpretation of the healing miracles He made it clear to the readers that Jesus clearly understood the redemptive implications of his mission as the Jewish healer redeemer Jesus fully embraced his Messianic mission to bring salvation to the Hebrew people He would become the perfect sacrificial lamb of God to bring about the restoration of fallen humanity In and through him God's good creation would be restored Through Jesus sacrificial death God would create a new covenant of grace which could be acceptable to both Jews and Gentiles The healing miracles demonstrated the defeat of sin sickness death and the evil influence of Satan's demonic forces Jesus did this by not only removing our sins but also taking the consequences of our sins upon himself nailing them to the cross All of Jesus healing miracles were interpreted similarly I found Mark's gospel both inspiring and informative allowing me to see the heart love compassion and mind of God for His creation
