Mismanaging The System:

Mis Managing the System Wesley G. Matthei,1997 This book presents a highly effective unique way of evaluating the management of organizations When top management fails to inculcate a clear direction vision a void develops between management the rest of the organization This void is filled by The System which is the sum of formal informal procedures that evolve to create an internal consistency working environment The System becomes the organization s de facto top management It is well understood by the people who live work interact with it Most problems are due to The System that controls the organization maintains the status quo helps isolate the people from top management Most people are powerless to change The System thus problems persist while management mistakenly generates cosmetic solutions The solution to the elimination of persistent problems can be realized only if The System is dissolved replaced with a New System Praise from a world renowned author Matthei is indispensable reading for anyone who wishes to change an organization Volume discounts available from NUSYSTEMS P O Box 14040 Sarasota FL 34278 888 225 2855 email wgmatthei aol com Mismanaging America Walter Williams,1990 Is the federal government inept Walter Williams says yes Thanks to Ronald Reagan s ill conceived cutbacks reliable policy advice is no longer available to the president The result has been the S L bailout the HUD scandal mismanagement on an unprecedented scale Annual Conference ,1917 *Annual Conference on Educational Measurements* ,1915 *Financial Mismanagement is Costly, Let Us Have Peace* William Darrah Kelley,1879
