**Mining Town Trolleys** Richard V. Francaviglia,1983    **The Journal of Arizona History** ,2017    **Arizona's Railroads** P. R. Griswold,1992 In the days of the Wild West Arizona needed trains to efficiently transport people and products But building those routes was much tougher than it might seem Read about the tracks trains those who help shaped their course and their roles today    *Hard Places* Richard V. Francaviglia,1997-09 Working with the premise that there are much meaning and value in the repelling beauty of mining landscapes Richard Francaviglia identifies the visual clues that indicate an area has been mined and tells us how to read them showing the interconnections among all of America s major mining districts With a style as bold as the landscape he reads and with photographs to match he interprets the major forces that have shaped the architecture design and topography of mining areas Covering many different types of mining and mining locations he concludes that mining landscapes have come to symbolize the turmoil between what our society elects to view as two opposing forces culture and nature    **Death Valley to Deadwood; Kennecott to Cripple Creek** United States. National Park Service. Division of National Register Programs,1990 Papers address concerns by contractors and agencies in how to survey and nominate properties to the National Register of Historic Places and how to mitigate adverse actions on significant resources management concerns related to historic mining sites on public lands and interpretation and display of mining sites and materials The focus is on the western United States but other parts of the U S and western Canada are covered    [Arizona Transportation History](#) Mark E.
