which the hero sets out and the terminus of the personal growth he or she undergoes during the journey back Thus the quest Mackey Kallis asserts is an outward journey into the world of action and events which eventually requires a journey inward if the hero is to grow and ultimately necessitates a journey homeward if the hero is to understand the grail and share it with the culture at large Finally she examines the value of mythic criticism and addresses questions about myth currently being debated in the field of communication studies **The Baseball Filmography, 1915 Through 2001** Hal Erickson,2002 Since the first baseball movie Little Sunset was released in 1915 Hollywood has had an on again off again affair with the sport The resulting relationship has produced a wide array of films some good Field of Dreams A League of Their Own some obscure Roogie s Bump Hot Curves and some flops The Slugger s Wife The Babe Ruth Story This is a detailed look at the 111 fictional baseball films produced and released in the United States from 1915 through 2001 This expanded and updated version of the 1992 first edition includes 29 new films produced between 1991 and 2001 New material includes an entry on 1978 s Goodbye Franklin High unavailable for the 1992 edition and revisions to several entries after the uncut versions of several silent and pre 1950 talkie baseball films were made available among them Hit and Run 1924 The Battling Orioles 1924 Slide Kelly Slide 1927 and They Learned About Women 1930 Each entry contains full cast and production credits year of release production company a synopsis and a critique of the movie Behind the scenes and background information is included Two additional and completely updated sections cover baseball short subjects and baseball in non baseball films An extensive bibliography completes the work **The Video Tape & Disc Guide to Home Entertainment** National Video Clearinghouse,1981
