

Louis Althusser

DJ Losen

Louis Althusser:

On Ideology Louis Althusser, 2020-03-31 This major voice in French philosophy presents a classic study of how particular political and cultural ideas come to dominate society Spanning the years 1964 to 1973 On Ideology contains the seminal text Ideology and Ideological State Apparatus 1970 which revolutionized the concept of subject formation In Reply to John Lewis 1972 73 Althusser addressed the criticisms of the English Marxist toward On Marx and Reading Capital Also included are Freud and Lacan 1964 and A Letter on Art in Reply to Andr Daspre 1966 *For Marx* Louis

Althusser, 2020-05-05 This is the work in which Louis Althusser formulated some of his most influential ideas For Marx first published in France in 1968 has come to be regarded as the founding text of the school of structuralist Marxism which was presided over by the fascinating and enigmatic figure of Louis Althusser Structuralism constituted an intellectual revolution in the 1960s and 1970s and radically transformed the way philosophy political and social theory history science and aesthetics were discussed and thought about For Marx was a key contribution to that process and it fundamentally recast the way in which many people understood Marx and Marxism This book contains the classic statements of Althusser's analysis of the young Marx and the importance of Feuerbach during this formative period of his thesis of the epistemological break between the early and the late Marx and of his conception of dialectics contradiction and overdetermination Also included is a study of the materialist theater of Bertolazzi and Brecht and the critique of humanist readings of Marxism Since his death in 1990 Althusser's legacy has come under renewed examination and it is increasingly recognized that the influence of his ideas has been wider and deeper than previously thought reading For Marx in its audacity originality and rigor will explain why this impact was so significant **Philosophy and the Spontaneous Philosophy of the Scientists** Louis

Althusser, 2020-05-05 Intended to contribute in his own words to a left wing critique of Stalinism that would help put some substance back into the revolutionary project here in the West they are the record of a shared history At the same time they chart Althusser's critique of the theoretical system unveiled in his own major works and his developing practice of philosophy as a revolutionary weapon Attesting to the unique place which Althusser has occupied in modern intellectual history between a tradition of Marxism which he sought to reconstruct and a post Marxism which has eclipsed its predecessor these texts are indispensable reading **Machiavelli and Us** Louis Althusser, 2000 The text of Althusser's lecture course on Machiavelli originally delivered at the Ecole normale superieure in 1972 Copyright Libri GmbH All rights reserved

Lenin and Philosophy and Other Essays Louis Althusser, 2001-11-13 Louis Althusser has tackled a wide variety of subjects including philosophy economics psychology aesthetics and political science This book contains a selection of his writings The Humanist Controversy and Other Writings (1966-67) Louis Althusser, 2003 This collection includes key texts from one of France's most famous philosophers which intervene in the debate between the humanist and the structuralists *Louis Althusser and the Traditions of French Marxism* William S. Lewis, 2005-01-01 In a careful exposition of French Marxism

William Lewis places Althusser and his thought alongside the pre and post war French communist intellectual climate the result is an excellent and unique work Part theoretical treatise on some of Althusser's more complicated and less explored ideas part intellectual history Louis Althusser and the Traditions of French Marxism is in total an important text for philosophy French and francophone studies political thought cultural studies marxist thought and several other disciplines interested in the intellectual life and times of the twentieth century *What is to be Done?* Louis Althusser, 2020-10-07

What is to be done This was the question asked by Lenin in 1901 when he was having doubts about the revolutionary capabilities of the Russian working class 77 years later Louis Althusser asked the same question Faced with the tidal wave of May 68 and the recurrent hostility of the Communist Party towards the protests he wanted to offer readers a succinct guide for the revolution to come Lively brilliant and engaged this short text is wholly oriented towards one objective to organise the working class struggle Althusser provides a sharp critique of Antonio Gramsci's writings and of Eurocommunism which seduced various Marxists at the time But this book is above all the opportunity for Althusser to state what he had not succeeded in articulating elsewhere what concrete conditions would need to be satisfied before the revolution could take place Left unfinished it is published here in English for the first time **How to Be a Marxist in Philosophy** Louis Althusser, 2017-11-16

In *How to Be a Marxist in Philosophy* one of the most famous Marxist philosophers of the 20th century shares his concept of what it means to function fruitfully as a political thinker within the discipline and environs of philosophy This is the first English translation to Althusser's provocative and often controversial guide to being a true Marxist philosopher Althusser argues that philosophy needs Marxism It can't exist fully without it Similarly Marxism requires the rigour and structures of philosophy to give it form and focus He calls all thinking people to Remember a philosopher is a man who fights in theory and when he understands the reasons for this fight he joined the ranks of the struggle of workers and popular classes In short this book comprises Althusser's elucidation of what praxis means and why it continues to matter With a superb introduction from translator and Althusser archivist G M Goshgarian this is a book that will re inspire contemporary Marxist thought and reinvigorate our notions of what political activism can be **Lessons on Rousseau** Louis Althusser, 2019-11-26

Althusser delivered these lectures on Rousseau's *Discourse on the Origins of Inequality* at the cole normale suprieure in Paris in 1972 They are fascinating for two reasons First they gave rise to a new generation of Rousseau scholars attentive not just to Rousseau's ideas but also to those of his concepts that were buried beneath metaphors or fictional situations and characters Second we are now discovering that the late Althusser's theses about aleatory materialism and the need to break with the strict determinism of theories of history in order to devise a new philosophy for Marx were being worked out well before 1985 in this reading of Rousseau dating from twelve years earlier which introduces into Rousseau's text the ideas of the void the accident the take and the necessity of contingency **The Spectre Of Hegel** Louis Althusser, 2014-01-07

Louis Althusser is remembered today as the scourge of humanist Marxism but

that was his later incarnation an identity formed by years grappling with the intellectual inheritance of Hegel and Catholicism *The Spectre of Hegel* collects the writings of the young Althusser before his final epistemological break with the philosopher's work in 1953 Including his famed essay *Ideology and Ideological State Apparatuses* *The Spectre of Hegel* gives a unique insight into Althusser's engagement with a philosophy he would later renounce *Politics and History* Louis Althusser, 2020-05-05 In the first two essays of this book Louis Althusser analyses the work of two of the greatest thinkers of the Enlightenment Montesquieu and Rousseau He shows that although they made considerable advances towards establishing a science of politics particularly in comparison with the theorists of natural law they nevertheless remained the victims of the ideologies of their day and class Montesquieu accepted as given the political notions current in French absolutism Rousseau attempted to impose by moral conversion an already outdated mode of production The third essay examines Marx's relationship to Hegel and elaborates on the discussions of this theme in Althusser's earlier books *For Marx* and *Lenin and Philosophy* Althusser argues that Marx was able to establish a theory of historical materialism and the possibility of a Marxist philosophy of dialectical materialism not simply by turning his back on Hegel but by extracting and converting certain categories from Hegel's Logic and applying them to English political economy and French socialist political theory **Louis Althusser** Luke Ferretter, 2007-05-07 Best known for his theories of ideology and its impact on politics and culture Louis Althusser revolutionized Marxist theory His writing changed the face of literary and cultural studies and continues to influence political modes of criticism such as feminism postcolonialism and queer theory Beginning with an introduction to the context of Marxist theory this book goes on to explain how Althusser interpreted and developed Marx's work the political implications of reading ideology and its significance for culture and criticism Althusser's aesthetic criticism of literature theatre and art Placing Althusser's key ideas in the context of earlier Marxist thought as well as tracing their development and impact Luke Ferretter presents a wide ranging yet accessible guide ideal for those new to the work of this influential critical thinker *Philosophy for Non-Philosophers* Louis Althusser, 2017-02-23 In 1980 at the end of the most intensely political period of his work and life Louis Althusser penned *Philosophy for Non philosophers* Available here for the first time in English *Philosophy for Non philosophers* constitutes a rigorous and engaged attempt to address a wide reading public unfamiliar with Althusser's project As such the work is a concentration of the most fundamental theses of Althusser's own ideas and presents a synthesis of his sprawling and disparate philosophical and political writings Nowhere else does Althusser push the distinction between philosophy and other disciplines as far or develop in such detail the concept of practice Rather than a work of popular philosophy *Philosophy for Non philosophers* is a continuation and conglomeration of Althusser's thought a thought whose radicality is still perceptible in those that have followed since *Philosophy for Non philosophers* thus provides a vivid encapsulation of Althusser's seminal influence on the leading thinkers of today including Ranciere Badiou Balibar and i ek *Letters to Franca (1961-1972)* Louis Althusser, 2025-02-20 *Letters to Franca* offers an

extensive selection from the 500 or so extraordinary letters Louis Althusser addressed to Franca Madonia between 1961 and 1972 the most productive period in Althusser's life and the time when his most characteristic works were being elaborated and first received. This correspondence allows therefore a unique insight into Althusser's theoretical and political trajectory giving an intimate account of the establishment of Althusserian Marxism and the intellectual historical and institutional milieu within which it came to prominence. It also charts the singular story of Althusser's relationship with Franca whom he encountered in 1961 and who became his lover, intellectual confidante and Italian translator; the letters thus have a quasi-novelistic dimension and afford a gripping vision of a remarkable couple, the chronicle of a passion. Their correspondence consequently exhibits an exceptionally diverse tonal range, alternately analytical, lyrical, ludic and sombre, displaying an investment in language and expression barely suggested by Althusser's previously published work. At once the diary of an intellectual political existence and the narrative of a coup de foudre, these letters also uniquely provide an astonishingly self-reflexive account of Althusser's experience of manic depression, inviting the reader to witness its sometimes exhilarating, sometimes devastating effects upon his private and public being. Featuring an extensive record of Althusser's long-term engagement with the thought and practice of psychoanalysis, *Letters to Franca* bids the reader here and throughout to accompany Althusser on a fascinating journey between theory and life.

Althusser Gregory Elliott, 2020-05-05. In the international renaissance of Marxist theory during the 1960s and early 1970s, few projects generated as much excitement or controversy as Louis Althusser's return to Marx. One of the most ambitious enterprises in the post-war history of Marxism, Althusser's reconstruction of Marx's doctrine was heralded as a new start in some quarters, dismissed as a refurbished Stalinism in others. Today, more than twenty years after the appearance of his major works and amidst the profound contemporary crisis of Marxism, Althusser is the victim rather than the beneficiary of philosophical fashion. Paradoxically, the oblivion into which he has now fallen affords the opportunity for a return to Althusser, a reassessment that advances beyond the unconsidered responses that Marxist commentators have often given to his work. In this first full-scale study in English of Althusser's career, Gregory Elliott draws on a wide range of untranslated material, surveying the political and intellectual context of Althusser's initiative in *For Marx* and *Reading Capital*. He analyses the nature of the Marxism developed in these works and charts their author's subsequent evolution, concluding with a balance sheet of the French Marxist's contribution to historical materialism. At once sympathetic and critical, *Althusser: The Detour of Theory* will establish itself as the standard introduction to its subject.

Althusser and His Contemporaries Warren Montag, 2013-05-01. *Althusser and His Contemporaries* alters and expands understanding of Louis Althusser and French philosophy of the 1960s and 1970s. Thousands of pages of previously unpublished work from different periods of Althusser's career have been made available in French since his death in 1990. Based on meticulous study of the philosopher's posthumous publications as well as his unpublished manuscripts, lecture notes, letters and marginalia, Warren Montag provides a thoroughgoing reevaluation of

Althusser's philosophical project Montag shows that the theorist was intensely engaged with the work of his contemporaries particularly Foucault Derrida Deleuze and Lacan Examining Althusser's philosophy as a series of encounters with his peers thought Montag contends that Althusser's major philosophical confrontations revolved around three themes structure subject and beginnings and endings Reading Althusser reading his contemporaries Montag sheds new light on structuralism poststructuralism and the extraordinary moment of French thought in the 1960s and 1970s *Louis Althusser* ,

Althusser and Pasolini Agon Hamza, 2016-06-01 Agon Hamza offers an in depth analysis of the main thesis of Louis Althusser's philosophical enterprise alongside a clear engaging dissection of Pier Paolo Pasolini's most important films There is a philosophical religious and political relationship between Althusser's philosophy and Pier Paolo Pasolini's films Hamza teases out the points of contact placing specific focus on critiques of ideology religion ideological state apparatuses and the class struggle The discussion however does not address Althusser and Pasolini alone Hamza also draws on Spinoza Hegel Marx and Iek to complete his study Pasolini's films are a treasure trove of Althusserian thought and Hamza ably employs Althusserian terms in his reading of the films Althusser and Pasolini provides a creative reconstruction of Althusserian philosophy as well as a novel examination of Pasolini's film from the perspective of the filmmaker's own thought and Althusser's theses Politics and Philosophy Mikko Lahtinen, 2009 Louis Althusser's interpretation of Niccol Machiavelli has never really been studied in any detail as an analysis of political action and intervention The same is also true for Althusser's notion of aleatory materialism Instead these have conventionally been studied from the viewpoint of a philosophical perspective in which politics is excluded The objective of the present book thus runs against many of the prevailing views on Althusser Here the emphasis is placed on Althusser's advancement of a theory of materialist politics The main argument put forward is that for Althusser it was essential to reflect on how the conjunctural understanding of history and reality could offer a theoretical starting point for a subversive political strategy

Ignite the flame of optimism with is motivational masterpiece, **Louis Althusser** . In a downloadable PDF format (PDF Size: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.

Louis Althusser Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Louis Althusser PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need.

Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Louis Althusser PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In

conclusion, the availability of Louis Althusser free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Louis Althusser Books

1. Where can I buy Louis Althusser books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Louis Althusser book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Louis Althusser books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Louis Althusser audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Louis Althusser books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
